BHARAT FORGE

INVESTOR PRESENTATION AUGUST 2019

Bharat Forge Overview

ROBUST FINANCIALS

Consolidated Revenue US\$ 1.6 B

GLOBAL LEADERSHIP

In Powertrain & chassis components

GLOBALMANUFACTURING

10 locations across 5 countries -US, Germany, Sweden, France and India

MARQUEE CUSTOMERS

Leading Automotive
OEMs & Tier-1 Suppliers

Leading Industrial Organizations

VERTICALLY INTEGRATED

With end-to-end capabilities

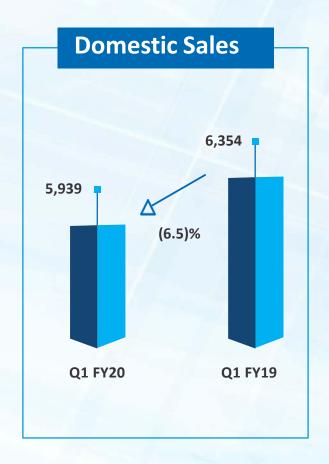

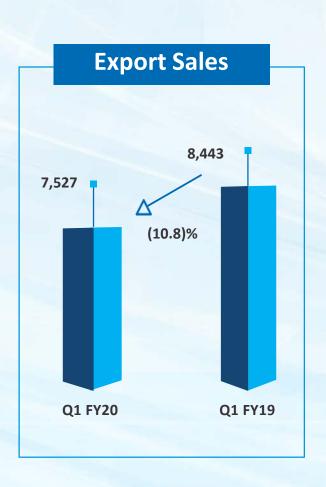

LARGEST

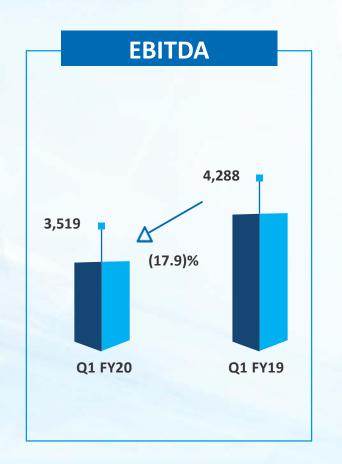

single location forging capacity in the world

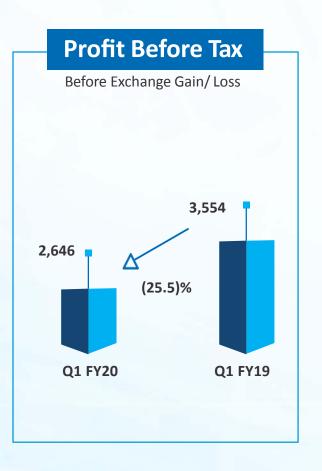

Standalone Numbers – Q1 FY 2020

New Strategic Business

1 Light Weighting Center

2 E-Mobility

3 Transmissions

4 New Technologies

Addressing E-Mobility Opportunity

Develop solutions across the entire spectrum of EV's from low voltage powertrains in personal mobility to high voltage applications for commercial vehicles

- Strategic investment in EV start-up
- Gain technical expertise on EV powertrain development
- Access technologies in personal E-mobility space

- Strategic investment in EV company operating from UK
- Access to electric powertrain solutions for Commercial Vehicles & Buses in the 7.5 -14 T weight category
- License for commercialization of Tevva technology within India

- R&D facility in UK for powertrain solutions of Electric Vehicles
- Technical Training
- Complementing capabilities and knowledge of KCTI & KCMI
- Benchmarking activities

Leveraging our strengths

A strong knowledge

workforce

Steadfast focus on new product

development and emerging

technologies

Capacity

State of the art advanced manufacturing facilities with fungible assets to address multiple industries.

Customer Relationship

Adding new customers and increasing share with existing customers

Future Growth

We are leveraging all our strengths to drive our next leg of growth

Financials

Improved free cash flow and a strong balance sheet

Disclaimer

This presentation contains certain forward looking statements concerning Bharat Forge's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but not limited to, risks and uncertainties, regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and the target countries for exports, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions with respect to investments, fiscal deficits, regulations, interest rates and other fiscal costs generally prevailing in the economy. The company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the company.
