

BHARAT FORGE

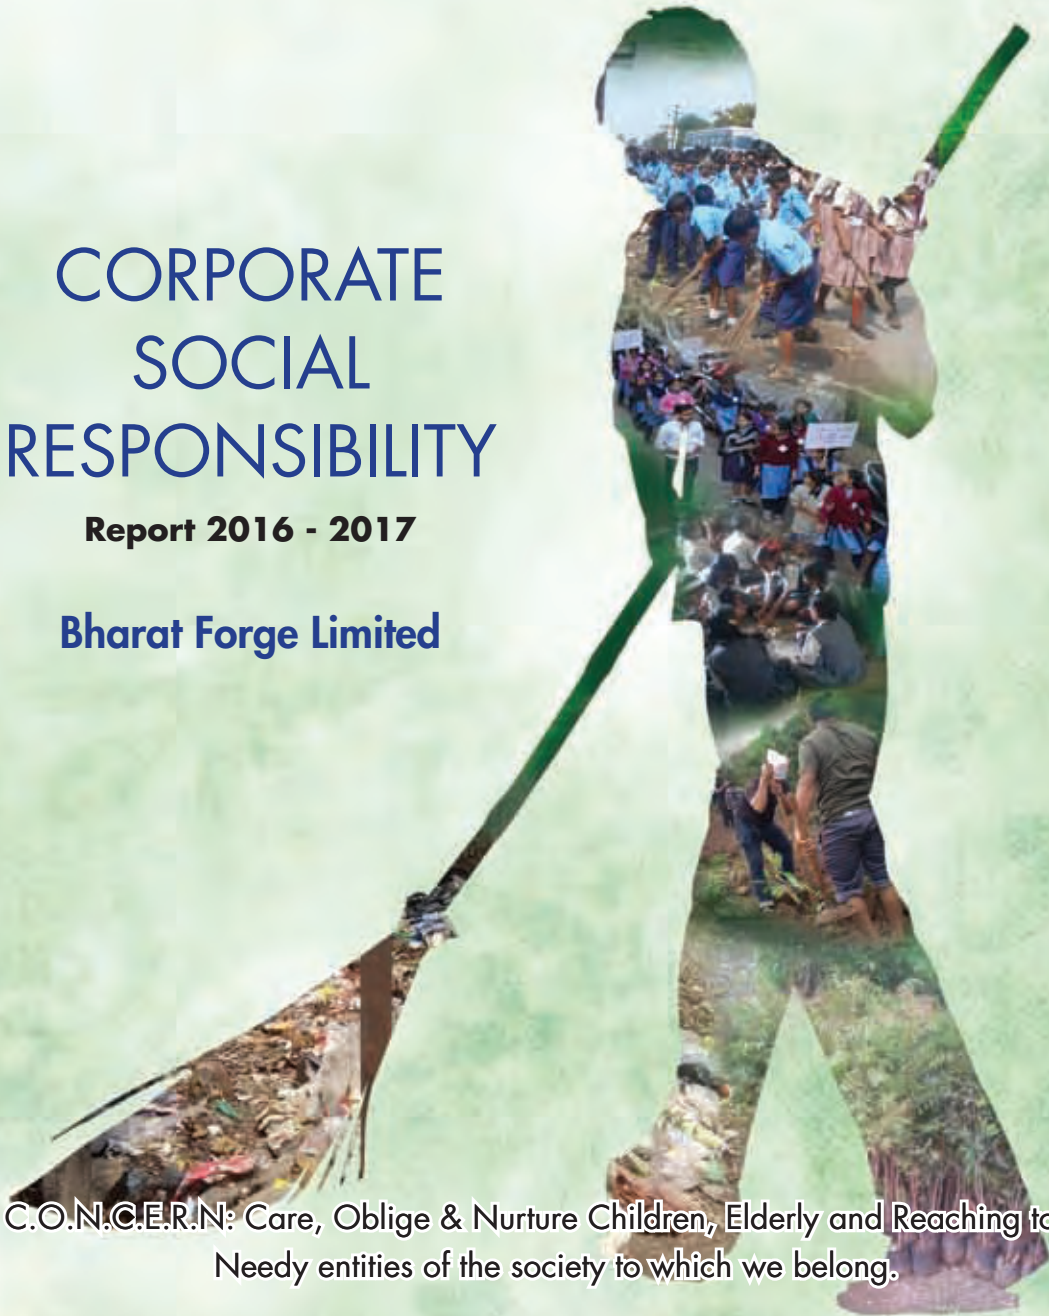

# CORPORATE SOCIAL RESPONSIBILITY

Report 2016 - 2017

**Bharat Forge Limited**

C.O.N.C.E.R.N: Care, Oblige & Nurture Children, Elderly and Reaching to the  
Needy entities of the society to which we belong.

The Ministry of Corporate Affairs enforced the CSR Act from 1st April 2014, Companies with the net worth of INR 500 crore or more, or a turnover of INR 1000 crore or more or a net profit INR 5 crore or more in a given fiscal year are required to contribute 2% of their average net profit over the past 3 fiscal years. It is now the third year since the introduction of the Companies Act 2013 and notification of section 135. Since India was one of the first countries across the world to mandate Corporate Social Responsibility [CSR], there is growing interest among the various stakeholders to see how the scenario is progressing.

Indian corporates are trying to be more efficient in the competitive business scenario. They need to become equally proactive, accountable and socially responsible to their immediate environment.

It is in the DNA of Bharat Forge to give back to the society. Before the Act came into existence, Bharat Forge had already started its CSR journey by establishing community centres for the benefit of the communities in the different areas.

Once the Act was mandated we had to reshape the existing programmes and we also tried to get aligned with the vision State and National Government for social development. Government of Maharashtra launched Jalyukta Shivar Abhiyaan to fight out with the drought conditions at many Talukas. Bharat Forge participated wholeheartedly by working in Purandar, Baramati and Khed Taluka for Jalyukta Shivar and has created wonderful results.

Skill Development, Sanitation of Schools and Swachh Bharat, Digital India are parts of National Vision for social development. We participated by constructing toilets in Government Schools, auditing them every year for cleanliness and its usefulness. In Skill Development considering the development needs of ITI Principals, we had designed 'Leadership Programme' for them and imparted them 2 days' training to 162 ITI Principals from Maharashtra at our Kalyani Center for Technology and innovation (KCTI). We have also designed curriculum for the training programme for the Instructors from ITIs in Pune District and will be imparting it to the Instructors from ITIs.

The Kalyani School and our educational projects are achieving further milestones. After the launch of CSR projects, now it is time to think seriously about the outcomes and impact of these projects. We are trying to apply different evaluation methods to measure the impact of our projects.

We sincerely feel that the role of corporates is not just funding the CSR project, but participating in the process of social development with the help of their project management skills, technology and by involving stakeholders of the business. Bharat Forge sincerely believes in the integration of business goals with the social goals and as we have stated in our CSR Policy our focus will be on environment, education, health and infrastructure development. Village Development will be one of the areas for CSR in 2017 and 2018.

## CSR Committee Members

**Mr. Babasaheb N. Kalyani**  
Chairman & Managing Director

**Mr. Pratap G. Pawar**  
CSR Committee Chairman

**Mr. Amit B. Kalyani**  
Executive Director

### PHILOSOPHY

At Bharat Forge, Corporate Social Responsibility (CSR) has evolved over decades with a simple objective of 'Giving back to the society'. We believe CSR is a close integration of the community's economic, environmental and social aspirations with the Company's business goals and objectives. We are, therefore, committed to integrate CSR with our business processes for sustainable growth and development.

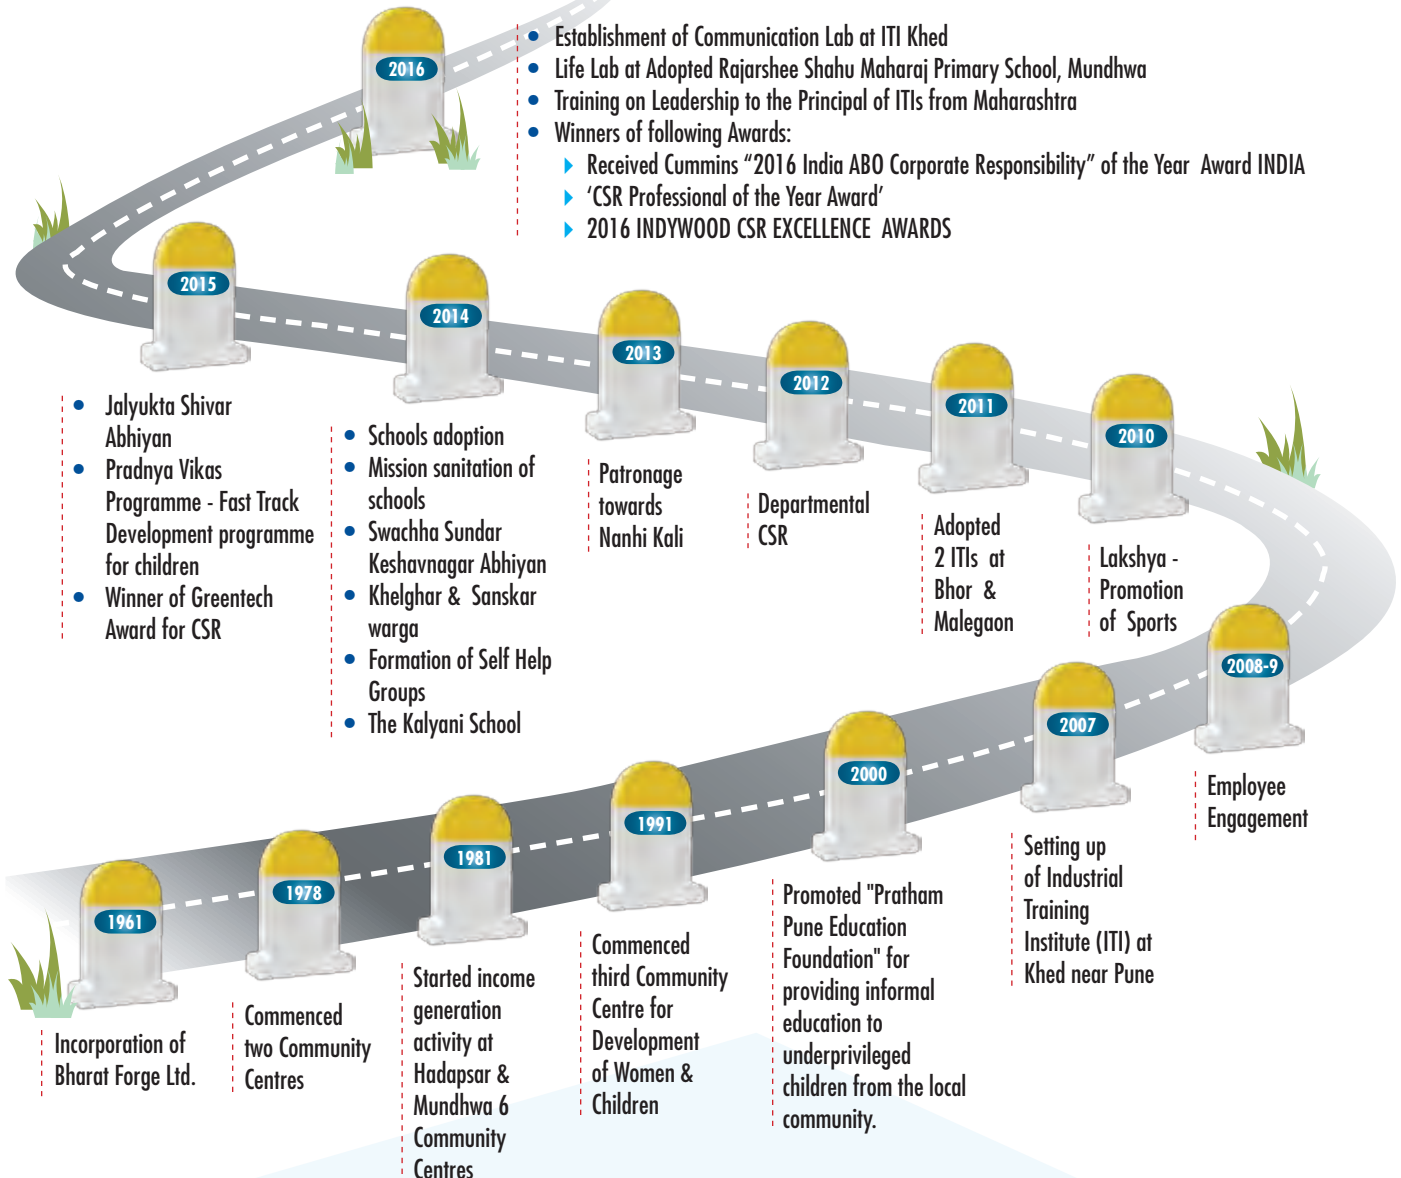

We would like to emphasize our initiatives in specific areas of social development that would include primary, secondary and tertiary education, skill development, vocational training, health & hygiene, sustainability, environment and ecological protection, character building by opportunities in Sports and Cultural activities. We believe our initiatives in these areas would continue to contribute significantly to the overall welfare of the community and make a difference in living standards of the community.

# Bharat Forge CSR Journey Since 1978

## Corporate Social Responsibility through decades

The first CSR initiative in Bharat Forge is traced back to 1978. It was taken by setting up of two Community Centers that aimed to aid employee families. This initiative has gone from strength to strength since then.

- 1 Completion of Jalyukta Shivar Abhiyan at Kalewadi (Phase - II) & Navali
- 2 Training of the ITI Principals from Maharashtra
- 3 Training for the instructors of ITIs from Pune
- 4 Establishment of Entrepreneurship cell at ITI Khed
- 5 Extraordinary performance of the 'Lakshya Players'
- 6 Rally on Swachha Sundar Keshavnagar Abhiyan on 26.11.2016
- 7 Impact Assessment of CSR Projects
- 8 Winners of following 3 Awards in 2016 -17
  1. CSR Professional of the year Award - 2016
  2. India ABO "Corporate Responsibility" of the year Award - 2016
  3. 2016 INDYWOOD CSR EXCELLENCE AWARDS

## 1. ACTIVITIES ALIGNED WITH NATIONAL & STATE AGENDA

## Activities aligned with National & State Agenda

These activities go hand in hand with the socio-environmental agenda of the Nation & the State. These activities include Sanitation of Schools (S.O.S.) & Jalyukta Shivar Abhiyaan, which aims of making Maharashtra a drought free state by 2019.

### 1. A. Jalyukta Shivar Abhiyaan

Maharashtra government has launched the project "Jalyukta Shivar Abhiyan" in a bid to make Maharashtra a drought-free state by 2019. The project involves deepening and widening of streams, construction of cement and earthen stop dams, work on nullahs and digging of farm ponds. The Program aims to make 5000 villages free of water scarcity every year and thus initiating permanent measures to make the state drought free by 2019 and to harvest rainwater within the village boundaries, thereby increasing ground water levels. Under the programme, micro - irrigation systems would be encouraged for proficient use of water, hence increasing the irrigated area.

Maharashtra State has approached to the corporate sector for CSR fund to partly finance the JALYUKTA SHIVAR ABHIYAN. In phase - I, Maharashtra Government has selected 198 drought prone/affected villages in 13 blocks of Pune District. Bharat Forge had decided to participate in this drive.

### Tree Plantation Drive

(jointly conducted by environment cell of Bharat Forge & CSR Project)

Hon. Minister - Finance and Planning, Forests - **Mr. Mungantiwar** (Maharashtra State), has appealed for grand tree plantation drive on 1st July, 2016. We are working towards achieving 33% forest cover in the state of Maharashtra. This tree plantation drive aims at 2 crore tree plantations in Maharashtra. Various departments under the Government of India, Government of Maharashtra, Corporates, NGOs and other communities will contribute to the cause.

### Bharat Forge also participated in this drive & planted trees at various locations

## Activities aligned with National & State Agenda

### 1. B. Sanitation of School

In alignment with PM Mr. Narendra Modi's agenda of construction of toilets in schools, many corporates have built toilets in schools, including Bharat Forge Ltd. What separates Bharat Forge Ltd. from others is that we have not just built toilets, but also formed Sanitation Committees which maintain the toilets & inculcate the importance of hygiene & clean habits among students from a very young age.

Since last 2 years we have been working on this project & we have constructed toilets in 9 schools, 'Maintenance & use of toilets' is a critical area & we have conducted internal as well as External Audit of Schools Toilets constructed by Bharat Forge. "Forbes (Performance Audit – Facility Services & HSE)" helped us for External Audit.

- RAJARSHEE SHAHU MAHARAJ PRIMARY SCHOOL, Mundhwa, Pune
- MAHATMA PHULE HIGH SCHOOL, Hadapsar, Pune
- ZILHA PARISHAD PRIMARY SCHOOL, Keshavnagar, Pune

*Internal and External Auditors auditing the project*

## Activities aligned with National & State Agenda

### 1. C. Swachh Sundar Keshavnagar Abhiyan

BFL Employees visited the beneficiaries of Waste Management Project and provided Trouble Shooting Material to them.

Swachhata Rally was conducted at Keshavnagar. Total Participants were 1200 (1000 students, 40 teachers from different schools, 160 community people).

## Activities aligned with National & State Agenda

### 1st Anniversary of Waste Management Project

Bharat Forge organized first anniversary of Waste Management Project. The Project was inaugurated by **Mrs. Vandana Kodre**-Sarpanch of Keshavnagar, **Mr. Kumar Ovhal**, from Inora, **Mrs. Nutan Bhajekar** from Inora project, **Mrs. Leena Deshpande** from BFL CSR head. All Grampanchayat members attended the program. We invited all composter planter holders to appreciate them for their efforts to keep alive & sustain the waste management program. The Sarpanch, INORA & Bharat Forge announced prizes for the Best Composter Planter Holders.

Best Composter Planter Award was handed over by **Mrs. Leena Deshpande**.

### Impact of Waste Management Project

Vermiculture Project, the beneficiary of composter plant is growing vegetables in kitchen garden.

## Activities aligned with National & State Agenda

### 1. D. Employment Enhancing Vocational Skills (Skill Enhancement)

Under Skill India Initiative, Bharat Forge has started a unique initiative with an objective of providing technical and vocational training to the rural youth in order to generate employability.

Bharat Forge has set up an ITI at Khed, where we have installed latest machinery & state of the art Communication Lab.

Along with Khed, Bharat Forge has adopted ITIs Malegaon & Bhor.

#### ITI Khed

##### Activities:

- Safety Training was conducted by **Mr. Sandip Shitole**
- **Mr. Umesh Patil** did 5S Audit at ITI Khed
- **Mr. S. S. Sandhu** (Principal Secretary), **Mr. Vijay Waghmare** (Commissioner) of Skill Development & Entrepreneurship Department, **Dr. Vijay Mahajan** (State Co-ordinator DVET) & **Mr. Rajendra Ghume** (District Vocational Training Officer) visited ITI Khed to monitor development of ITI Khed & also monitored the Communication Lab
- Employability & Communication Skill Lab Training
- Safety Oath as part of Safety Week
- Training on Communication skills imparted to 700 students in 32 batches

#### ITI Bhor & Malegaon

##### Activities:

- Fire & Safety Training at Bhor
- Technical Trainings imparted to all the students on PLC, Cutting Tools, Conventional and CNC machines, Measuring Instrument & Turning and Milling Processes.
- Installed Incinerator Machine at ITI Malegaon
- Sound System provided at ITI Malegaon
- Projector provided at ITI Bhor

## Activities aligned with National & State Agenda

### ITI Training at BFL

Two Days residential Training Workshop on **“Management & Leadership in Technical Education (MALTE)”** for the Principals of Industrial Training Institutes (ITIs) from Maharashtra at Kalyani Center for Technology & Innovation (KCTI)

After the introduction of the Public Private Partnership (PPP) model the area of work of the ITI Principals have changed. With this additional responsibility, the ITI Principals now have to deal with Industries Partners and other stakeholders too. Along with their Managerial & Administrative skills they now have to exhibit the Leadership skills as well.

Bharat Forge had developed a Training Module **“Management & Leadership in Technical Education (MALTE)”** to give the insight and also the thought process to the ITI Principals to build up their Leadership capabilities.

#### Objectives of the program:

- Build a Leadership Role concept and ownership amongst participants.
- Equip them with some of the effective Leadership & Management tools.
- Develop their focus & Motivate them to take up challenges.

*Mr. Deepak Kapoor, Principal Secretary, Skill Development Government of Maharashtra, interacted with the participants of MALTE Training*

## 2. EDUCATION

## 2. A. The Kalyani School

The Kalyani School (TKS) promoted by Akutai Kalyani Charitable Trust is established with a view to provide quality education to every child.

The school is located at Manjari, Pune in a sprawling 9.5 acre campus. It is a Co-Ed school with classes from Jr. K.G. to Grade XII following a CBSE curriculum. The school is operational from the academic year 2015-16 with classes from Jr. K. G. to Grade VII. The school provides a positive environment to the students to achieve their potential and helps to impart a holistic environment to achieve excellence.

**VISION:** To provide a harmonious, stimulating learning environment which inspires all to strive for excellence and emerge as responsible citizens

**MISSION:** To become a beacon of excellence in the teaching-learning process by nurturing an environment built on ethics and values. Providing vast, well equipped learning spaces to optimize each student's potential. Continuously evolving to manage change

### CORE VALUES:

**INDIVIDUALITY:** Develop a unique thought process and respect for oneself

**SINCERITY:** Inculcate an honest approach towards life

**DIGNITY:** Dignity of labour and commitment towards work

**EQUALITY:** Treat everyone with equal importance

**EMPATHY:** Be considerate towards others

**AWARD:** The Education World Award - India School Racking 2016

### Days Celebrated:

Keeping the cultural & traditional approach, the school celebrated various days.

- Fathers' Day Celebration-Breakfast with Dads
- Investiture Ceremony & Founders' Day Celebration
- Id-ul-fitr
- Independence Day Celebration
- Teachers Day Celebration
- National Hindi Day
- Janmashtami Celebration

- Gandhi Jayanti
- Dushhera
- Children's Day
- Christmas Day
- Republic Day Celebration
- Math Week
- Exhibition at the Novatel
- Helpers Day Celebration
- Founder's Day Celebration

### Academic Activities

- Learning & Development Activities
- Phonics Workshop for Parents: Phonics is a method of teaching people to read by correlating sounds with symbols in an alphabetic writing system.
- Poem Recitation Competition
- Story Telling Competition
- Inter-house English Debate
- Inter-house Hindi Debate
- Staff training on teaching methods & skill development
- Staff Training on Application & Concept Oriented Teaching for Computers
- Various Competition like House Slogan Competition, Posters making
- Preventing Abuse and Learning Safety (PALS)- A Workshop
- Parents Orientation programme
- Robotics Workshop
- Orientation visit at various places
- A Visit from Young Sports Achievers

### Other Activities

- Tree Plantation Drive
- Special Assemblies (Going Green, Freedom from Social Evils, Form Morning theme Incredible India, Mahatma Phule, drama regarding corruption, lack of concern & insensitivity, Save the Earth assembly, Sensitizing Audiences about Specially-abled people, Sharing & Caring, Makar Sankranti, Healthy Food Healthy Living, Empathy, Vasant Panchami,
- Preparation of Diwali lamps & decorations
- Reading Activity organized by Scholastic Publishers
- School Council Elections
- Run for Fun and Sports Day

*Breakfast with Dads*

## Education

### 2. B. Adoption of Municipal Corporation & Zilha Parishad Schools

Bharat Forge Ltd. has adopted **Rajarshee Shahu Maharaj School** in Keshav Nagar, **Mahatma Phule School** in Hadapsar & **Zilha Parishad School** in Bhoi Vasti under School Adoption Initiative. The aim is to provide quality education & inculcate good habits.

#### Projects covered under school adoption are:

- Quality Education
- Skill Development

## 2. C. Educational Sponsorship Programmes

**Katalyst Programme:** Katalyst Foundation supports girl students who are doing Engineering. BFL has sponsored 5 Engineering Girl Students of COEP & VIT via Katalyst.

**Nanhi Kali:** A project by K. C. Mahindra Education Trust (KCMET), this project aims to provide primary education to underprivileged girl children in India, which in long term will not only support the economy, but will also help combat social evils like gender inequality, child marriage, dowry system, domestic violence, etc. Bharat Forge supports 108 Nanhi Kalis from KCMET with realization that the girl child, more often than not, is sidelined to an extent that she always has a disadvantaged access to quality education & material support.

- Nanhi Kali Inauguration Programme - a total of 108 girl students are sponsored under this project
- Visit to Nanhi Kali

**Vidyarthi Sahayak Samitee:** Bharat Forge has sponsored 10 engineering girl students from Vidyarthi Sahayak Samitee, & is providing them with necessary mentorship.

*Mrs. Leena Deshpande visited Nanhi Kali Foundation and took educational activity of impromptu story telling, to promote their creative & imaginative thinking.*

Bharat Forge supports 108 girls from Nanhi Kali with the objective to promote and support for girls education. These girls are from underprivileged section from Std. 1st to 5th & are selected through pre-test by Naandi foundation from ZP Primary Schools of Medankarwadi village situated nearby Khed .

## 2. C. Pratham Pune Educational Foundation (PPEF)

**Bharat Forge supports Pratham, which works with an objective to develop the educational skills of the children belonging to the most underprivileged section of the community, to help them learn with fun & therefore motivate them for further education.**

Pratham is NGO working towards providing quality education to under privileged children of India. Pratham commenced its operations in Mumbai in 1994, providing pre-school education to slums. It now has activities in 21 states & has supporting chapters in USA, UK, Germany & UAE.

Bharat Forge Chairman, **Mr. Babasaheb N. Kalyani**, is the Chairman of Pratham Pune Education Foundation (PPEF). BFL focuses on education, health & environment for children, women & senior citizens.

### Activities

## 2. E. Pradnya Vikas Programme under Jnana Prabodhini

**Bharat Forge has started a joint initiative with Pratham & Jnana Prabodhini called 'Pradnya Vikas'. The objectives of Pradnya Vikas are: To conduct personality & leadership development programme in under-privileged areas of Pune city. To develop scientific attitude among them through informal activities.**

Bharat Forge, in association with Jnana Prabodhini, has begun Pradnya Vikas Program for bright, intelligent & outstanding children of the deprived communities to provide them educational platform. Selection of children is through pretest conducted in the fields of physical fitness, intelligence, creativity, motivation, leadership qualities & social intelligence. Currently, Pradnya Vikas projects are carried out at Janata Vasahat (Parvati), Malvadi (Hadapsar) & Keshav Nagar (Mundhwa).

Pradnya Vikas conducted weekly activities such as prayers, poems, story writing activity, yoga & physical exercises, newspaper reading, learning to use internet & making PowerPoint presentation, etc.

Pradnya Vikas conducted a science camp on 28th February, 2017. Topics discussed were importance of science day, project planning, drawing graphical aids, street-play, science film, project presentation, etc.

*Science talk: "The Art and Science of Color" and "Science and Art Competition" by Dr. Sayam Sen Gupta, Scientist, CSIR-NCL, Pune*

## Education

*Mobilization in Community & Parents' Visit to review the academic progress of the students and to discuss about the Pradnya Vikas Programme. Informing parents & nearby community about starting the new batch of the programme.*

*Pradnya Vikas students Making Posters on "Rain & Varee" through news paper cuttings. The main objective of this activity was to develop the knowledge of accurate Data Processing. Students enjoyed this activity as they got to learn something*

*Science experiments*

*Street-play*

*Students practice exam paper writing in groups as well as individually.*

## 2. F. Khelghar

**Khelghar initiative was started in Keshav Nagar & Kharadi, in association with Paalakneeti Parivar, Pune. It aims to develop children from deprived sections of society by making learning an activity and entertainment based experience.**

### **The main areas of focus are:**

- Generate awareness among children regarding various issues (social , educational, health, etc.)
- Personal Grooming

Role of Paalakneeti Parivar is to provide consultancy to develop Khelghar by imparting skill enhancement, creativity development, life skills, module designing, attitudinal training to Khelghar teachers.

The communities are selected through surveying the area for socio-economic background of children, followed by educating parents about the program. A pretest is conducted for subjects like Marathi, Mathematics & Life Skills. Students who are identified lagging behind & in need of help are selected for Khelghar.

*Drawing reading activity*

*Group Discussion*

*Khelghar Teachers Training*

## Education

- Preparing Study Material
- Story Telling
- Arts & Craft Activity
- Conducting Pre-test for new batch
- Celebration of Bhondala
- Diwali Lanterns
- Christmas Celebration
- Holi Celebration
- Tree Plantation Drive

### 3. COMMUNITY DEVELOPMENT & WOMEN EMPOWERMENT

## Community Development & Women Empowerment

### 3. A. Community Development Centers

**Background:** Bharat Forge Ltd. has started two Community Centers in the year 1978, roughly 17 years after its inception. The Community centers started their Income Generating Activities at Hadapsar & Mundhwa in 1981. In 1991, a third Community Center was started for the development of Women & Children.

The main aim of establishing Community Centers was to generate employment for deprived communities. Cutting & stitching of BFL uniforms, gloves, etc. was the prime role of these women, through which BFL helped them generate income.

**Focus:** Women, Children & Senior Citizens

#### Projects

- Self Help Groups (SHGs)
- Health Clubs
- Recreational Activities
- Skill Development Trainings

Community Center aims to empower women by increasing their literacy, improving health status, helping them become independent, skilling them in activities like stitching, knitting, cooking, etc. We basically provide them the tools & resources to improve their quality of lives so they can successfully take critical decisions & steer themselves & their families towards bright future. Focus is on the growth of local community women. Under Women Empowerment project, Bharat Forge undertakes various awareness sessions on literacy, income generation, women rights, Government schemes, etc.

BFL CSR Team undertook family visits to analyze whether improvement is seen in the standard of living of members.

Street Play in nearby communities on 'World AIDS Day'

## Community Development & Women Empowerment

### 3. B. Self Help Groups (SHGs)

So far 11 SHGs have been set up in Mundhwa, Hadapsar & Vadgaonsheri, all of which are legally registered & associated with Bharat Forge. Members contribute monthly together capital, which gets deposited in Bank of Maharashtra . Cheque books have been issued to SHGs so they can plan their business activities.

Area	Name of SHGs
Hadapsar	Kalyani, Pragati, Prerana, Samruddhi
Vadgaonsheri	Sarthak, Sankalp, Saphalya
Mundhwa	Nishigandh, Priyadarshani, Kalpavruksha

Sr No	Hadapsar Community	Hadapsar Community	Keshav Nagar Community	Keshav Nagar Community	Vadgaon Sheri Community	Vadgaon Sheri Community
	4 SHGs	Beneficiaries	3 SHGs	Beneficiaries	3 SHGs	Beneficiaries
1	Kalyani SHG	15	Nishighandha SHG	15	Sarthak SHG	15
2	Samrudhi SHG	15	Priyadarshani SHG	15	Sakalpa SHG	15
3	Pargati SHG	15	Kalpavruksha SHG	15	Safalya SHG	15
4	Parana SHG	15				
	Total	60	Total	45	Total	45

#### Activities:

- Installation of Power Sewing Machines at Hadapsar & Mundhwa to boost stitching speed by 5 folds.
- SHGs completed 110 Cloth Bags Order of BFL
- Completion of 300 Paper Bag
- Paper folders for Train the Trainers
- Diwali Exhibition cum Sale at BFL

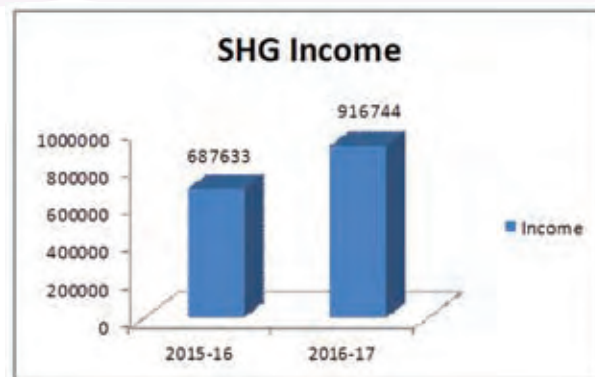

## Community Development & Women Empowerment

### Self Help Groups Marching Ahead

BFL organized a ceremony for the women involved in income generation activities of the Self Help Groups in Hadapsar, Keshavnagar and Vadgaonsheri to distribute their first remuneration. The women were handed over the cheque by the officers from Materials department and Mrs. Leena Deshpande. They were commended for functioning as an independent business, having come a long way since the inception of the first SHG. Team from Materials Department acted as mentors and guides for these women

## CSR Concluding remarks

The CSR projects which were started about 2 years ago have taken up good shape. Khelghars are running smoothly and they are immensely helping underprivileged children. The children who are above average are getting opportunity to get engaged in science and other activities under the programme Pradnya Vikas which is run by Jnana Prabodhini. Under the project Sanitation of Schools we had built toilets in the adopted schools about 3 years ago and they are maintained well. The children are picking up good habits and the absenteeism of girl students has considerably reduced.

This year under Jalyukta Shivar programme farmers from Kalewadi village from Purandar Taluka could take second crop. They had sent Thank you letter to our Chairman and had met him in his office. They had also shown the fruits that they had grown in their farms. There are many such success stories and they are encouraging us to take steps forward. Our employees are our strength. They are also supporting CSR projects by actively participating in them. The involvement of all the stakeholders of our business encourages us to reach out to the needy through different initiatives.

We also realize that the impact of ongoing CSR projects needs to be measured. For every project there has to be different system for measurement. We have just done the internal /external audit of the sanitation of schools project. Interviews of the girl students were also conducted to understand the change in the cleanliness/hygiene status.

For the year 2017-18 our focus will be on Village development project. We have adopted three villages from Ambegaon Taluka and Village Kalewadi from Purandar Taluka. We propose to work on 4 indicators-Water, Roads, Health & Education. The work has already been started with the help of cross functional team.

We request everyone's support and cooperation to continue our journey towards wellbeing of the society in which we exist. Any growth essentially has to be inclusive growth-by taking all the sections of the society in the journey of development.

I sincerely appreciate the efforts of CSR team members and the employees who have participated in the implementation of the projects and to those who have given us the opportunity to publish this souvenir. We greatly appreciate the efforts put in by everyone for various initiatives & projects mentioned in the booklet.

We pray and seek support and cooperation of all to continue our journey towards Sustainability and wellbeing of the society in which we exist.
