

BHARAT FORGE

CSR

CORPORATE SOCIAL RESPONSIBILITY

Highlights

- We have commenced our Village Development work in aspirational and tribal districts– Osmanabad and Gondia.
- We have started the process of transforming the villages where we are working under Village Development Project into Green villages. This will include green energy, waste management, health, clean water and circular economy.
- The schools have started looking smart with our intervention.
- We have started adopting innovative ways to impart Life Skills to the children.

Project - Village Development work covering Aspirational Districts

Taluka: Bhoom, Kalamb District: Osmanabad

Names of the Villages- Anjansoda, Giravali, Dokewadi, Chandwad, Baramachiwa-

With the aim to improve the socio-economic status of the Taluka Bhoom & Kalamb from Dist. Osmanabad under Village development project, we had conducted baseline study of these villages on 19th & 20th January 2023.

Following needs were identified after meeting with the local villagers from villages -

1. Water Harvesting.
2. School infrastructure work.
3. Solar pumps on the drinking water wells.
4. Health check-ups for women.
5. Enhancing Livelihood.
6. Tree plantation

Site visit & interaction with the villagers at Bhoom & Kalamb Taluka in Osmanabad.

Names of the villages- Pitezari, Aategaon

- Villages Pitezari and Aategaon are situated on the border of Gondia and Bhandara. This region is considered as aspirational region and majority of villages from this region are tribal villages. We had done baseline study of these villages on Tuesday, 17th January 2023. The needs identified after meeting were-
1. Fencing for agricultural lands to protect from the nuisance of pigs and other animals.
 2. Enhancing Livelihood & Tree plantation

At Village Targaon, Taluka Koregaon

- For clean, hygienic surrounding and to prevent health issues due to mosquito menace, we have constructed 1,960 mtrs. long internal roads at village Targaon .
- 6,200 villagers will get benefitted with this work.

Internal concrete road constructed at village Targaon

At Village Apshinge, Taluka Koregaon

- We have constructed underground gutters at Apshinge village
- This work will benefit to 6,200 villagers in terms of quality of life and improved health status. It will also help to maintain cleanliness in the village.

Interaction with villagers at Apshinge

At Village Takale, Saygaon, Taluka Koregaon

We have installed **Solar water pump system at villages Takale & Saygaon**

The power generation is 12 KW in both the villages.

- This project will reduce the dependency of villagers on electricity or diesel.
- Since the Grampanchayats will be relieved from heavy electricity bills, The amount saved can be utilized for the development work in the villages.
- The water will be now available on time & will save labour work in fetching the water.
- **1,800 villagers will get benefitted with this.**

Takale

Saygaon

At Village Chambali, Taluka Purandar

- 'Lokarpan Sohala' of Internal concrete roads at village Chambali was organized on 12th January 2023. This road was an entry point to the village and initially it was in bad condition. Villagers used to face difficulty especially in rainy season.
- **Measurement of constructed road is 980 ft. length*12 Ft. width**
- This work will benefit to **3,400 villagers.**

Construction of internal concrete road at Chambali

At Village Patharwadi, Taluka Purandar

- This construction of road was important as it connects to the main road. Initially it was in bad condition and was prone to accidents.
- **Measurement:** 1150 ft. length*12 Ft. width .
- This work will benefit to **1100 villagers.**
