

CORPORATE SOCIAL RESPONSIBILITY

Report 2017 - 2018

BHARAT FORGE LIMITED
Innovation at the heart

ABOUT CSR REPORT

Indian Corporates are trying to be more efficient in the competitive business scenario. They need to become equally proactive, accountable and socially responsible to their immediate environment. Since India is one of the first countries across the world to mandate Corporate Social Responsibility [CSR], there is growing interest among the various stakeholders to see how the contribution of Corporates is helping to improve the social scenario. The Corporates have understood the importance of the impact assessment of their different CSR Projects. Bharat Forge has also started measuring the effectiveness of various CSR initiatives.

It is in the DNA of Bharat Forge to give back to the society. Before the Act came into existence. Bharat Forge has started its CSR journey by establishing community development centers for the benefit of the communities in the different areas. Once the Act was mandated we had to reshape the existing programmes and we also tried to get it aligned with the vision of State and National Government for social development. Govt. of Maharashtra launched Jalyukta Shivar Abhiyaan to fight out with the drought conditions at many talukas & also started Village Development Project for the holistic development of the villages. Bharat Forge participated wholeheartedly by working in Purandar, Ambegaon, Ahamadnagar, Koregaon, Shevgaon, Baramati and Panhala for Jalyukta Shivar and created wonderful results. The next objective of the program will be to increase the income of the families from the villages where we had worked for Infrastructural development i.e. Water, Internal Roads, Health & Education.

The initiatives like Skill Development, Sanitation of Schools and Swachh Bharat and Digital India are part of national vision for social development. We have participated in Swachha Bharat by constructing toilets in government schools, by launching vermicomposting project and by starting skill development projects. In Skill Development Bharat Forge has taken up leading role by establishing ITI at Khed by starting vocational courses & by adopting 2 more ITIs at Malegaon & Bhor. Bharat Forge had also imparted training programme "Technical Educator's Reinvention Course" (TERC) to 241 ITI Instructors from Pune District. The objective was to equip the instructors with important tools to perform their role as accomplished instructor. "Changing Gears"- Finishing School programme is an initiative of BFL in collaboration with CII for 90 Graduate Engineers from rural background from College of Engineering Pune. The objective is to develop the required soft skills for their employability. The Kalyani School and our educational projects are achieving further milestones.

After the launch of CSR projects, now it is time to think seriously about the outcomes and impact of these projects.

We sincerely feel that the role of Corporates is not just funding the CSR project but to participate in the process of social development with project management skills, technology and by involving stakeholders of the business. Bharat Forge understands that 'Inclusive growth' i.e. taking participation of all the sectors of the society in the socio economic development process of this country, is the spirit behind the CSR Act.

Mr. Babasaheb N. Kalyani
Chairman & Managing Director

Mr. Pratap G. Pawar
CSR Committee Chairman

Mr. Amit B. Kalyani
Executive Director

VISION:

At Bharat Forge, we believe in giving back to the society in some measure of what we have gained from it. We are therefore committed to address issues relating to child welfare, women empowerment and safety and security of senior citizen etc. through our various initiatives which will lead to protection of environment, health & hygiene and skill education on sustainable basis for society as a whole.

OBJECTIVE:

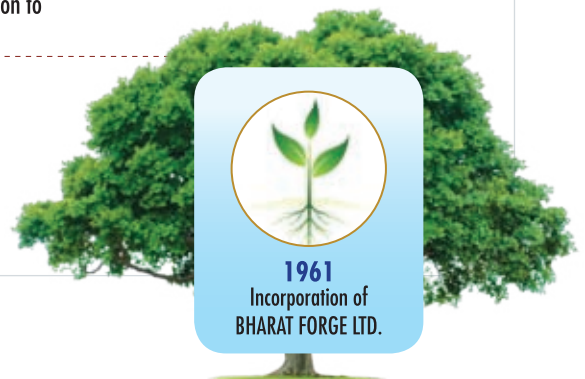

Bharat Forge is proud of being a socially responsible corporate. We would like to further scale-up our CSR activities through the initiatives aimed at improving the deprived and marginalized sections of the society including economically deprived children, women and senior citizens. We propose to empower them to effectively participate in unfolding social and economic opportunities so that they can be an integral part of the mainstream of growth and development. We would strive to achieve total inclusiveness by encouraging people from all sections of the community irrespective of caste, creed or religion to benefit from our CSR initiatives which would also be focused around communities that reside in the proximity of our company's various manufacturing locations in the country.

BHARAT FORGE CSR JOURNEY SINCE 1978

Corporate Social Responsibility through decades

The first CSR initiative in Bharat Forge is traced back to 1978. It was taken by setting up of two Community Centers that aimed to aid employee families. This initiative has gone from strength to strength since then.

Exceptional achievements by Lakshya Players.

A. VILLAGE DEVELOPMENT

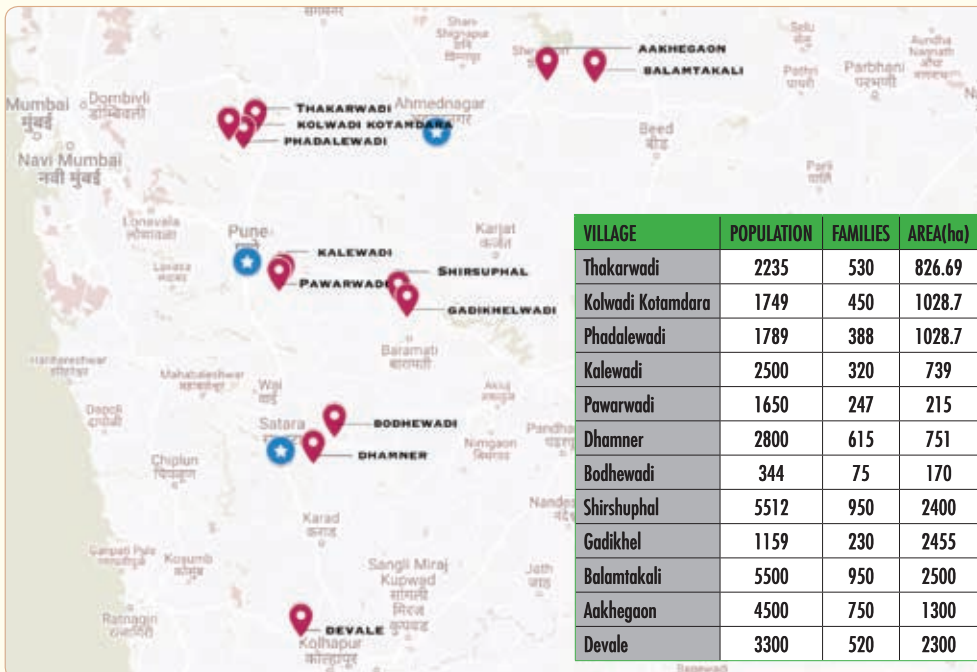

In the year 2017-18 we have started working in **12 villages** on **5 indicators** –
The indicators are - **Water Availability** (For Drinking & Agriculture), **Enhancing Livelihood** (increase in family income), **Health** (Women & Children), **Accessibility Roads** & **Education** (for primary student – Std. VIII)

Districts covered under Village Development Project:

Districts	No of Villages Covered 2017-18	2018-19
Pune	07	21
Ahmednagar	02	30
Satara	02	15
Kolhapur	01	34

Under Village Development Project, we have positively impacted the lives of 30,000 people from 12 villages (4 Districts from Maharashtra). These villages were identified through baseline survey on 2 major indicators water availability & enhancing livelihood.

Impact of Village Development Project – 2017-18

INPUT	ACTIVITIES	OUTPUT	OUTCOM	IMPACT
<ul style="list-style-type: none"> Financial investment Human & Material resources 	<ul style="list-style-type: none"> Baseline survey Awareness & Ownership of the community. Construction of check dams & bandharas. Widening and deepening canals & riverbeds. Pipelines & drinking water system. 	<ul style="list-style-type: none"> 4,30,354 cub. mtrs. silt removed. 44,35,00,000 liters water stored. 393 Wells & 313 bore wells recharged. 1868 Acres land brought under irrigation. 45 km WBM roads constructed. 	<ul style="list-style-type: none"> Increase in water availability. Positive changes in crop pattern, crop diversity. Enhance agriculture & livestock productivity. Reversed Migration 	<ul style="list-style-type: none"> Improved quality of life of rural community Higher family income. Dipstick study of 30 families from Purandar shows 3 fold increases in family income.

Vision - Transforming 100 villages in the year 2018-19

With our new vision we will be making difference to around 30 lac people from 100 villages in terms of availability of water, better income through enhanced agriculture, livestock, improved health and education of the children.

VISION	<ul style="list-style-type: none"> Transforming 100 villages in one year by working on minimum two indicators - Water Availability & Enhancing Livelihood.
MECHANISM	<ul style="list-style-type: none"> Survey of the villages in the prescribed format for needs assessment. Define the scope of initiatives with the help of cross functional team, experts and local governance. To find out NGO partner or responsible agency for human engineering. To prepare the project proposal for the approval. Complete the project in the stipulated period.
RESPONSIBILITIES	<ul style="list-style-type: none"> Bharat Forge CSR Team/cross functional team/experts Local Governance NGO/Responsible agency Villagers

At village **PAWARWADI**,
Tal.: **PURANDAR**, Dist.: **PUNE**

**Check Dam - Jalyukta Shivar
Abhiyan** at village **THAKARWADI**,
Tal.: **AMBEGAON**, Dist.: **PUNE**

At village **BALAMTAKALI**, Tal.: **SHEVGAON**,
Dist.: **AHAMADNAGAR**

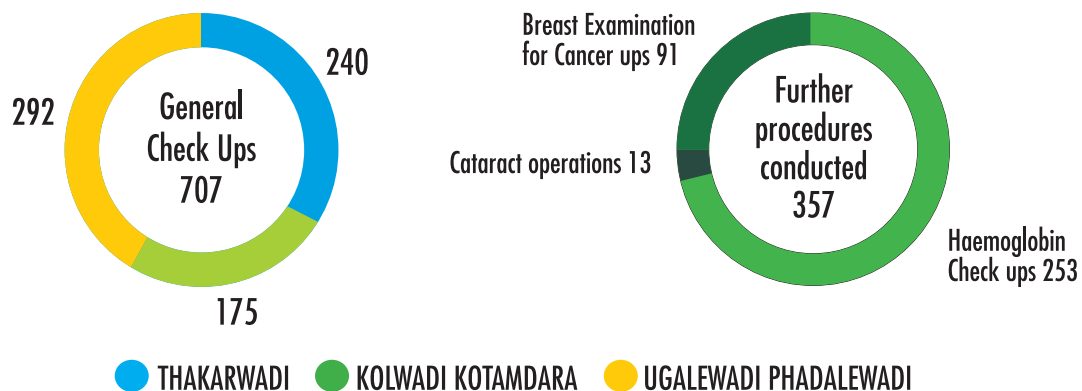

At village
SHIRSUPHAL & GADIKHEL,
 Tal.: **BARAMATI,**
 Dist.: **PUNE**

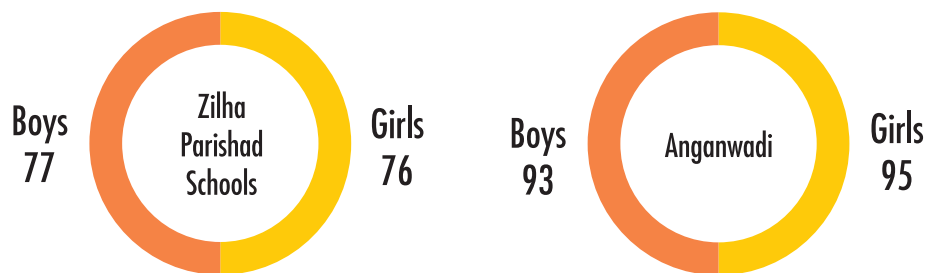

HEALTH CHECK UP

In AMBEGAON taluka, health camps were conducted for the villagers.

As part of health checks up in School in THAKARWADI, KAMBADWADI, NUMBERWADI & JABHALEMELA

CATTLE SHED

At THAKARWADI village, Taluk AMBEGAON villagers lived in small houses that they shared with their cattle. Witnessing their unhygienic living

practices, we built a secure cattle shed outside their homes that would help them maintain cleanliness, health and hygiene.

Capacity of cattle shed : 75-90 goats

LAND LEVELLING

This land that was earlier unused, is now suitable for agriculture and farming.

IMPACT

AFTER

BEFORE

At **THAKARWADI** village, Taluk **AMBEGAON**, Dt Pune BFL has helped Level 57.25 Acres of land.

KITCHEN GARDEN

We selected high yielding varieties of seeds and distributed to the villagers for use in their kitchen gardens.

This would help them meet their individual needs as well as help them develop an additional source of income.

IMPACT

5000 Seeds.

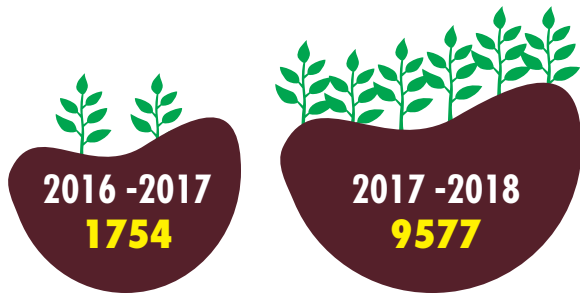

NEWS articles and media coverage-

TREE PLANTATION DRIVE – 2017

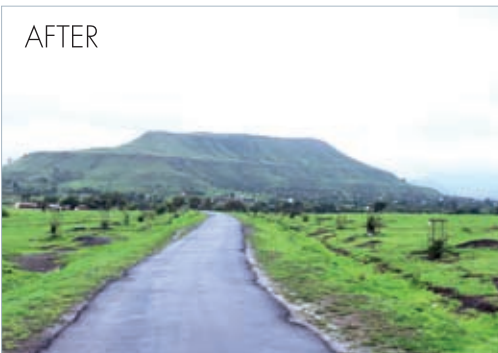

Under the “Greening of Maharashtra” initiative, 9577 trees were planted on 1st and 2nd July’ 2017 across the state, 5 times increase as compared to the previous year.

BEFORE

AFTER

1. COMMUNITY CENTRE ACTIVITIES AND TRAININGS FOR WOMEN

Bharat forge promotes three community centers in three different areas namely:

- **Mundhwa** (Keshav Nagar)
- **Hadapsar** (Sasane Nagar)
- **Vadgaonsheri** (Datta Prasad Colony)

The community centers empower women by increasing literacy, improving their health and making them independent through various income generation programs.

Bharat Forge organised following training programs in association with Bank of Maharashtra for community women:

- Stitching of shirts & trousers (1 month)
- Screen Printing (10 days)

Training on Shirts & Trousers

Training on Screen Printing

DIWALI EXHIBITION cum SALE – 2017

Stalls were displayed by the members of Self Help Groups with the objective to develop entrepreneurship skills of the women. **13th – 14th October 2017**

Total Sales more than 1 Lakh Rs.

CULTURAL PROGRAM - 2018

The program was organised on 7th February 2018 at Kanyadan Mangal Karyalay, Hadapsar. The Chief Guest of the program was **Mrs. Deeksha Kalyani**.

SESSION ON MENTAL HEALTH

Awareness Session on
Mental Health by
Dr. Anand Nadkarni for
67 community women

3. SWACHHA BHARAT ABHIYAN

Bharat Forge *Chairman and Managing Director* – Mr. Babasaheb Kalyani along with the company employees supported Swachha Bharat Abhiyan on 2nd October 2017.

'Swachha Bharat Abhiyan' – 'Swachhata hi Seva'

4. WASTE MANAGEMENT PROJECT

Since 2014, Bharat Forge has installed 60 composter planters (drums) in nearby communities, which can decompose 60-75 Kgs of wet garbage and can convert them into organic manure by 'Vermi Composting'.

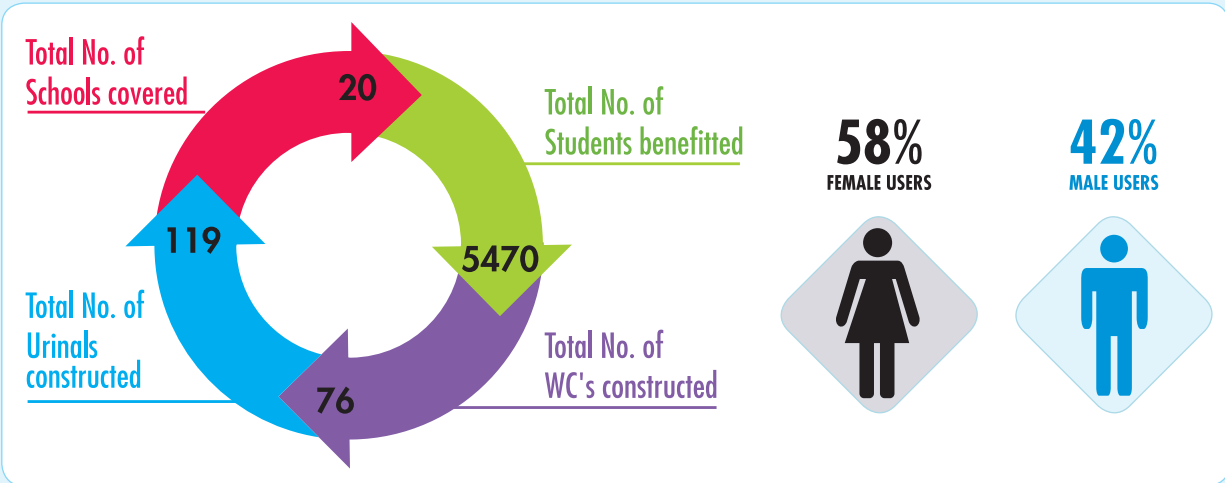

C. MISSION SANITATION OF SCHOOL

Bharat forge supports our Hon. Prime minister's agenda of construction of toilets in schools. However, what makes us stand apart is that we tried to implement behavioral changes is the status. Also paid attention to the availability of water and maintenance of the toilets.

Absenteeism of girl student is decreased

Inauguration of Schools by Mr. Kunal Kumar, Commissioner PMC Pune

Constructed New Toilets and small internal roads to maintain cleanliness in Zilha Parishad School, Vaduth, Satara.

1. CHANGING GEARS

“Changing Gears – Finishing School program” is an initiative by BFL in collaboration with CII for 90 graduate engineers from College of Engineering Pune.

Objective: To increase required soft skills for their employability.

2. TECHNICAL EDUCATOR'S REINVENTION COURSE (TERC)

PRATHAM PUNE EDUCATIONAL FOUNDATION

Bharat Forge supports an NGO Pratham Pune Education Foundation, which works with an objective to provide non-formal education to the children belonging to the most underprivileged section of the community.

Bharat Forge Chairman, Shri. Babasaheb Kalyani, is the Chairman of Pratham Pune Education Foundation (PPEF). BFL focuses on education, health & environment for children, women & senior citizens.

PRADYNA VIKAS

Bharat Forge, in association with Jnana Prabodhini, started the Pradnya Vikas Program for 120 bright, intelligent & outstanding children from the deprived communities to develop them through an educational platform. Selection of children is through an eligibility test conducted in the fields of physical fitness, intelligence, creativity, motivation, leadership qualities & social intelligence. Currently, Pradnya Vikas projects are carried out at Janata Vasahat (Parvati), Malvadi (Hadapsar) & Keshav Nagar (Mundhwa). Their weekly activities include prayers, poems, story

writing activity, yoga & physical exercises, newspaper reading, learning to use internet, making PowerPoint presentations, etc.

Pradnya Vikas Conducted study tour at Industrial Training Institute (ITI), Aundh on 6th Jan. 2018. 28 students from std. 9th & 10th participated in this visit

KHELGHAR

The company has developed 'Khelghars' for children living in slum areas whose parents go to work early morning and come back late evening. They are centres that aims to develop basic skills, creativity, awareness on health and personal grooming of the children. Currently we have 3 Khelghars: 2 at Keshavnagar and 1 at hadapsar with 120 kids enrolled. The children are selected after studying the socio economic background of the children and having a pre test for them. The test checks their ability in subjects like Marathi, Math and life skills. Students who are lagging and in need of support are selected for khelghar.

Teacher's Training

THE KALYANI SCHOOL :

The Kalyani School (TKS) promoted by Akutai Kalyani Charitable Trust is established with a view to provide quality education to every child. Having started in the academic year 2015, It currently has students from Jr. K. G. to Grade XII.

VISION: To provide a harmonious, stimulating

learning environment which inspires all to strive for excellence and emerge as responsible citizens

MISSION: To become a beacon of excellence in the teaching learning process by nurturing an environment built on ethics and values. Providing vast, well equipped learning spaces to optimize each student's potential. Continuously evolving to manage change.

CORE VALUES:

INDIVIDUALITY:

Develop a unique thought process and respect for oneself

SINCERITY:

Inculcate an honest approach towards life

DIGNITY:

Dignity of labour and commitment towards work

EQUALITY:

Treat everyone with equal importance

EMPATHY:

Be considerate towards others

- 22 Jul 2017 - Siddhant Won Singles Bronze at the Commonwealth Youth Games - Bahamas 2017 against Neos Eleftherios (Cyprus) (6-2,6-0)..

3. POOJA RANI

- National Ranking: 1 (Category: 62-75 Kg)
- Pooja Won Bronze at the Women Open International Tournament of CIS in Kazakhstan on 6 March 2018 -she played her semifinals against Kazakhstan.
- Pooja Won Gold at the Womens Nationals on 7 Jan 2018, in Rohtak... also Selected for the India Open International Boxing Tournaments in Delhi from 24th Jan to 1st Feb 2018

6. SUBHANKAR DEY

- BAI Ranking: 22 (Best - 1)
- World Ranking: 67 (Best - 62(January 2018))
- 18 March 2018 - Shubhankar finished Runner Up in Kabal International, lost to Victor Svendsen Score 19-21, 19-21.
- 12 March 2017 - Shubhankar Won Singles Title at 52nd Portuguese International 2017 against Victor SVENDSEN from Denmark (21-19, 21-19)...

7. GURJOAT SINGH KHANGORA

- National ranking: Shotgun(Skeet) Mens - 6
- Gurjoat Made it to the Indian Core Group after National selection trials and ranked 6th in India .
- Participated Shooting Trails from 11 May 2018, where he scored 119 & 121/125, however missed the slot for Indian Senior Team for Shotgun by One Point for Asian Games.

H. EMPLOYEE VOLUNTEERISM

The introduction of CSR law suggests the involvement of all the stakeholders in the CSR project of the Company to develop the culture of giving back to the society. In short CSR act encourages employees' participation in the process of social development. Employee volunteerism therefore can be considered as an exclusive feature of CSR. In BFL employees from different department have taken up CSR Projects & they devote their time & expertise to these projects.

DEPARTMENTAL CSR PRESENTATION- 2017 – 18

The efforts from various departments in CSR field are yearly assessed by the external assessors. The department presented their CSR activities in front of them & assessors give suggestions to improve further.

"Project – Udaan" introduced in September 2017 for **350 students** of Mahatma Phule High School, Hadapsar for improving their learning skills.

Daan Utsav translates to Joy of Giving. Every year we celebrate Daan Utsav during the first week of October. The motive behind Daan Utsav is given back to the society & for us to look beyond our own needs to aid the deprived sections of the society. This year all departments contributed generously.

CSR CONCLUDING REMARKS

The UN's Sustainable Development Goals (SDGs) comprising of 17 global goals and 169 indicators came into force in September 2015. These Global Goals have been developed in the spirit of partnership and pragmatism to guide our action in a sustainable way for future generations. CSR projects and programmes need to be aligned with SDGs.

Bharat Forge has already started working with the focus on village development project as we strongly believe in the philosophy of inclusive and sustainable growth. In the development of nation, all the stakeholders and the social sectors need to be involved. The benefits and pains of growth have to be spread up amongst all the sectors of the society. Our NGO partners are helping us to achieve the targets.

Our employees are our strength. They are also supporting CSR projects by actively participating in them. The involvement of all the stakeholders of our business encourages us to reach out to the needy through different initiatives.

I sincerely appreciate the efforts of CSR team members and the employees who have participated in the implementation of the projects and to those who have given us the opportunity to publish this booklet.

We request everyone's support and cooperation to continue our journey towards happiness of the society in which we exist. Any growth essentially has to be sustainable and inclusive growth by taking along all the sections of the society in the journey of development.

We pray and seek support and cooperation of all to continue our drive towards progress of the society in which we exist.
