**“ We would like to transfer speed, technology and management skills to the social development process... ”**

“We take immense pride in belonging to an organization where business success results in good for the society at large. In addition, we work in the areas of education, skill development, health and wellness, and the environment.

We believe in giving back to the society in some measure what we have gained from it. We are therefore committed to work in 100 villages from five districts in Maharashtra and are working on 5 major indicators - water harvesting, livelihood, health, education and internal roads. We are also committed to address issues pertaining to women empowerment, protection of environment, health & hygiene, cleanliness, Swachh Bharat and skill education.

Our CSR programmes are aligned with CSR Act and its spirit and with National & State agenda for development. We understand the integration of environmental and social goals into the business objectives and try to include every person from the villages where we are working. We also address the areas like Skill development, Education of underprivileged children, Women empowerment, Promotion of sports, etc. Employee volunteerism is equally important to us and we try to include all the stakeholders of the business in the development process.”

Head, Corporate Social Responsibility

**SUCCESSFUL  
BUSINESSES HAVE  
A RESPONSIBILITY  
TO MAKE  
THE WORLD  
A BETTER PLACE**

Since its inception in year 1966, Bharat Forge Limited has forged a place for itself in the global market.

We are driven by the desire to satisfy our customers by understanding their needs and exceeding their expectations. At the same time, we recognize the importance of supporting and developing our associates, while contributing to the community in which we live and work.

For many years, Bharat Forge has focused on issues related to the environment and social responsibility. Our deep-rooted presence in the regions in which we operate as well as our Quality, Safety, Security and Environment strategy encourages us to play an active role in social issues.

Our firm commitment to continuous improvement motivates us to surpass ourselves each day and develop innovative processes and products, and therefore contribute to the Sustainable Development Goals.

**ABOUT US**

**LEADING THE WAY  
FORWARD TO  
A BETTER WORLD**

## **CSR Board Committee**

**Mr. Baba Kalyani**  
Chairman & Managing Director

**Mr. Pratap Pawar**  
CSR Committee Chairman

**Mr. Amit Kalyani**  
Deputy Managing Director (DMD)

With Shri Baba Kalyani, Chairman & Managing Director at the helm, eminent personalities such as Shri Pratap Pawar, CSR committee Chairman, Shri Amit Kalyani, Deputy Managing Director and Dr. Leena Deshpande, Head, Corporate Social Responsibility are contributing with their valuable experience and insights.

The enlightened committee of such knowledgeable personalities is a great advantage to us and we will be widening our focus to reach more communities **to make a better world**

**Inside of every problem lies an opportunity**

To find great solutions to problems, it's important to address them with great understanding. Thus all our initiatives begin with a heart to heart communication with the villagers and local leaders. We spend time with them to understand their problems and find the root cause of their problems.

**First step towards change is awareness. Next is acceptance.**

Change is a way of life and we ensure that the change or improvements we make are accepted by the concerned people. So they are able to utilise the projects after the handover. This ensures efficiency, self-sustainability and adequate maintenance.

**Just like a plant needs water, an idea needs propagation.**

When people benefit from our initiatives they don't just talk about it, they also discuss about it with other people and communities. This gives us more opportunities to undertake projects in different villages for the benefit of more people.

**Capacity building of our partners in the development process**

Leadership skills can be honed with proper training. Apart from the initiatives we also focus on making the local leaders stronger. We train them in leadership skills, communication and problem solving. This ensures that our villages become more independent, informed and self-reliant.

**Business is not just about great products or great deals. Business is about human relationships.**

# WE BELIEVE IN HUMAN ENGINEERING

Co-relation between man and machine has enhanced. Tools such as strategies, planning and budgets are very helpful for streamlining work schedules, however **'SCIENCE OF UNDERSTANDING'** makes a big difference.

At Bharat Forge, we call it Human Engineering, which accounts for the strengths and weaknesses of humans during the design of interactive products to ensure efficiency and safety by reducing the risk of user error.

42 years ago,  
Bharat Forge initiated a movement towards  
the upliftment of community, women and children.  
It was a movement led not with marches,  
but simple heart-to heart conversations.

Through all these years, we kept widening  
our focus and reached out to more and more people.  
We stood beside them, guiding them through change.  
And after four decades of determined, focused  
and result-oriented efforts, we touched the lives of millions.

Even though the CSR Act came into being in 2013,  
Bharat Forge had been shouldering the responsibility  
of social contributions from year 1978 when we set up  
two community centers for the socio-economic  
development of women.

As a corporate, this belief to serve the community  
continues to grow stronger with every goal we achieve.

**FOCUSING ON  
THE JOURNEY,  
NOT THE  
DESTINATION.**

## **VILLAGE DEVELOPMENT**

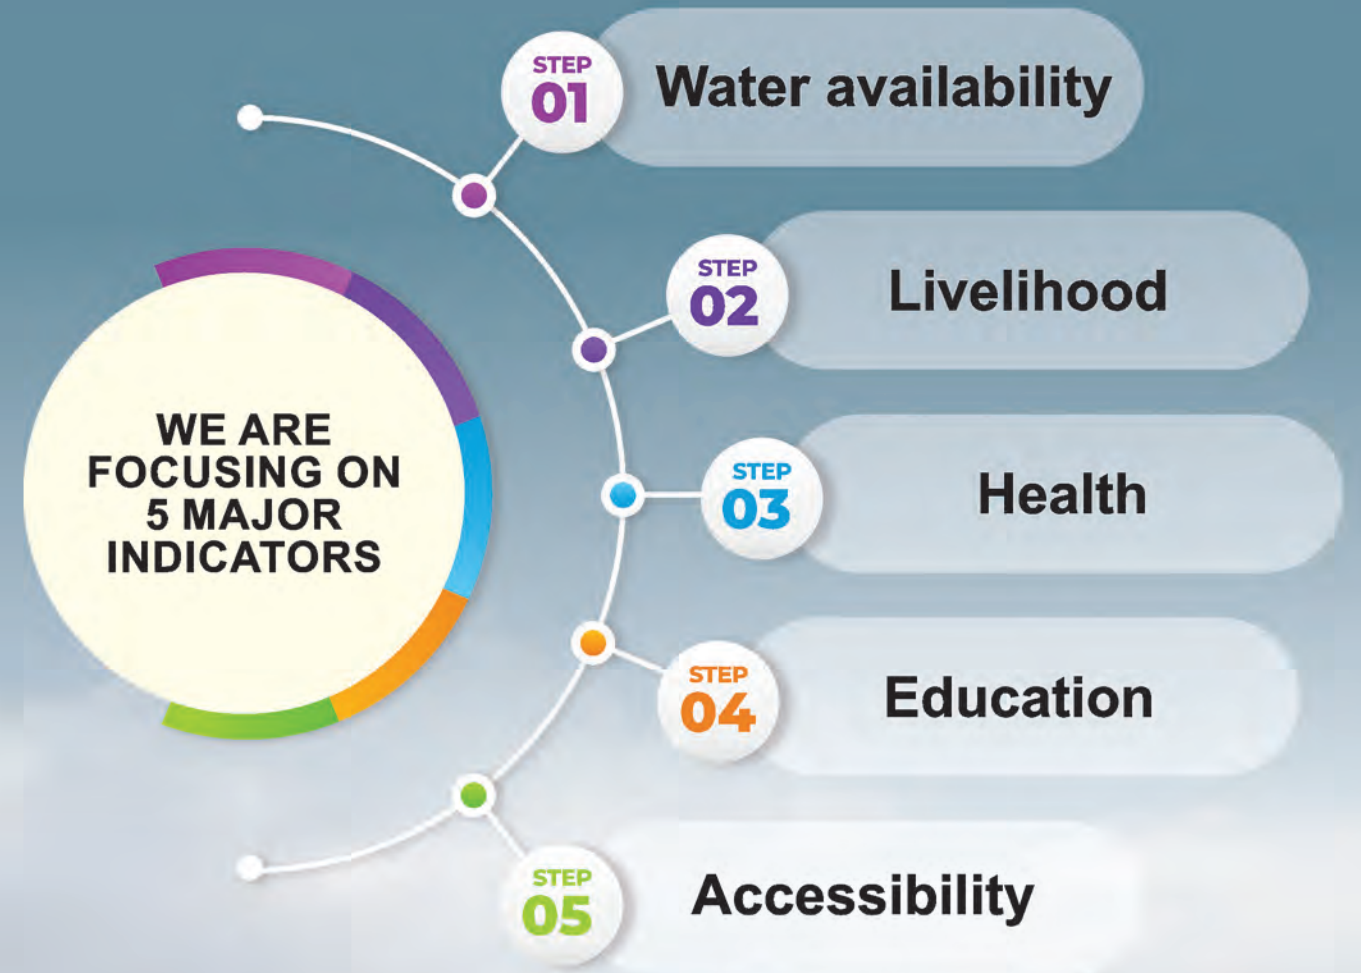

- To enhance availability of drinking water**
- To bring more agricultural land under irrigation**
- To help farmers to increase their yields**
- To improve family income and become self-reliant**

Village development is our flagship program under which we are developing 100 villages through need-based solutions in the areas of water availability, livelihood opportunities, health and nutrition, education, and infrastructure. We uplift communities through our "Village Development Model" by providing rural communities with sustainable access to their most basic needs.

This includes access to clean water, improved sanitation to reduce incidence of disease and improved living conditions to foster a sense of pride. We also provide training to the local leaders and community influencers to make them aligned with our program goals and ensure self-sustainability once the projects are handed over to the community. This has led to a constant rise in income through farming, thus improving the living standards of the people.

Village development is fundamental in building a strong Nation and we believe that if our villages become self-sufficient, our country will succeed in becoming self-reliant.

# WATER PAVES THE WAY TO DEVELOPMENT

(construction of Bandharas and Water tanks)

Enough supply of water is considered to be a prime indicator for village development for which water harvesting and construction of Bandharas and Water tanks was implemented. In addition to this, other important factors such as internal roads, livelihood creation, health and education were also considered vital for inclusive village development.

Provision of Pure and Clean drinking water to the villagers is also equally important with the view to maintain health.

## फुलवडे परिसराची तहान भागणार!

बरकीदरा येथील पाझर तलावाची रुंदीकरणसह खोदाई

फुलवडे (ता. आंबेगाव) : बरकीदरा येथील पाझर तलाव.

फुलवडे, ता. २९ : बरकीदरा येथील पाझर तलावाचे अतीत पोटभाग खोदाई, रुंदीकरण, भराव्याचे दगडी सिंचिंग आणि वितीका भराव, जली कमी करण्यात आली. त्यामुळे येथे बरकर पाणीसह उरल्या होकार आहे. या कामासाठी भारत कोर्स लिमिटेड पुणे यांच्या सौम्यभार फंडेशन आदारयुक्त सुमारे ३० लाख रुपये खर्च केले असून, अद्यय काही काम होणे बाकी आहे.

फुलवडे (ता. आंबेगाव) परिसरात दरवर्षी सप्टेंबर महिन्यात पाण्याचा तुटवडा निर्माण होत असतो. परंतु, या पाझर तलावामुळे या वर्षी बरकर पाणीसह उरल्या होकार असून, शेताकन्यांना त्याचा लाभ होकार आहे. शेतीबरोबरच परगुठी वापरासाठी पाणी उरल्या होईल. जनकार्याच्या व रजिस्ट्रील प्रकल्पाने पाण्याचा पाण्याची सोय होकार आहे. या तलावातील खोदाई व रुंदीकरणामुळे माकडाला मुळय ओढ्यास बांधणी पाणी उरल्या झाले. त्यामुळे अन्य कार्यांना त्याचा फायदा होकार आहे.

दरम्यान, महाराष्ट्र आरोग्य मंडळ व भारत कोर्स यांच्या माध्यमातून या परिसरातील पडीक जमिनीचे सपाटीकरणकारणसाठी प्रत्येक शेताकन्यास २० तास जेथेथी मरिन अल्पय दहल उरल्या करून दिले. त्यामुळे पडीक जमिनीचे सपाटीकरण झाल्याने त्यात शेताकन्यांना फेक पेरण्यास मळा झाली आहे. या कामासाठी 'भारत कोर्स'च्या सौम्यभार विभागाच्या प्रमुख लीना देशपांडे, जयदीप लाड, महाराष्ट्र आरोग्य मंडळचे प्रमुख अरुण

या पाझर तलावामुळे पाण्याच्या पातळीत वाढ झाली असून, हे पाणी वर्षभर उपलब्ध होकार आहे. उन्हाळ्यात जनावरांच्या पिण्याच्या पाण्याचा प्रश्न सुटला आहे. पडीक जमिनीच्या सपाटीकरणामुळे पिक घेण्यास मदत होकार आहे.

## FARMING GETS THE ADDITIONAL BENEFIT

Farming is the major source of livelihood in the rural areas but there are a lot of other sources of income available such as Agricultural labourers, Beekeeping, Dairy and Poultry, Sericulture and wool production by rearing silkworms and sheep.

Enhancing the livelihood of people from the rural regions has been one of our core objectives in the CSR activities undertaken.

### VILLAGE DASTURWADI

Taluka Ambegaon, District Pune

Goat rearing is the main source of income for the people of this region. As this region experiences frequent leopard attacks goat sheds were built for the safety of the goats. For this reason Bharat Forge constructed cattle sheds for **3 families (75 goats)**

## Village Kalewadi

1,000+ farmers of Kalewadi are now producing massive quantities of figs, pomegranates, guavas and custard apples. Exporting these has led to a significant rise in their income.

## Village Madanwadi

Provision of Pure and Clean drinking water to the villagers is also equally important with the view to maintain their health.

BFL Water initiatives bring water to Madanwadi Village. Sufficient availability of water resource has increased crop production of the village.

# Virtual session with our NGO partners

Bharat Forge conducted an yearly meeting through virtual platform with the 5 NGO partners connected with Bharat Forge CSR Projects to discuss with them the scope of CSR and Community Development work for year 2021.

This year's meeting was organised to understand the village development initiatives undertaken by Bharat Forge with our NGO partners. The meeting was held to understand the developments done by them in their villages in association with Bharat Forge CSR Team under five indicators of developments using technology.

Our CMD appreciated them for their work and guided them to make more use of updated technologies for better results and developments. He suggested to implement the Telemedicine initiative in Ambegaon Taluka and other villages. He also suggested that Kalewadi project should become role model to the other connected villages. He said that with the help of Jnana Prabodhini, we can implement Pradnya Vikas Project in the ZP schools of the connected villages.

## Strengthening future generations through educational initiatives

## EDUCATION IS ADVANCEMENT OF KNOWLEDGE WHICH WILL GO FROM GENERATION TO GENERATION.

The Bharat Forge Education Programme is aimed at imparting knowledge to children that they will carry forward.

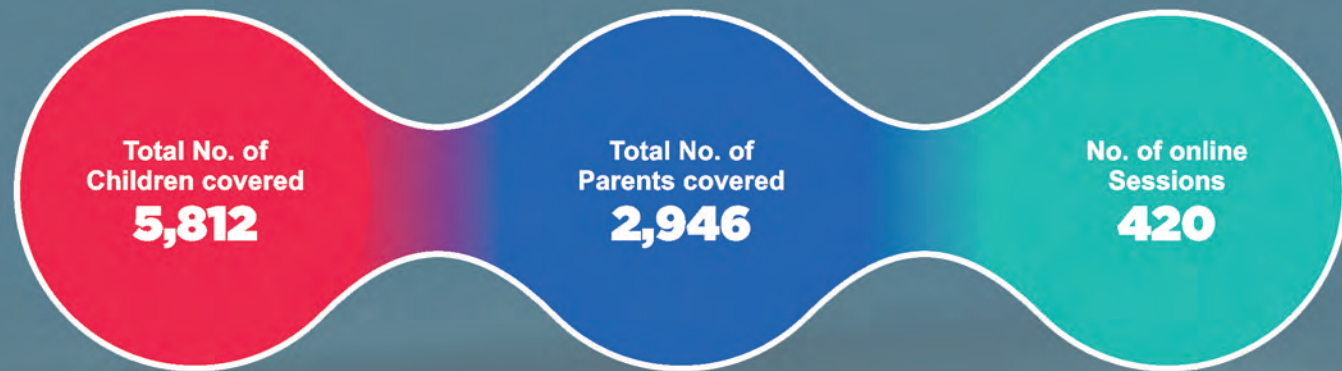

The programme consists of group activities, knowledge sharing and honing of life skills.

**Pratham Pune** - The objective of this is “every child in the school” and is learning well. It imparts non-formal education to underprivileged children from 25 communities.

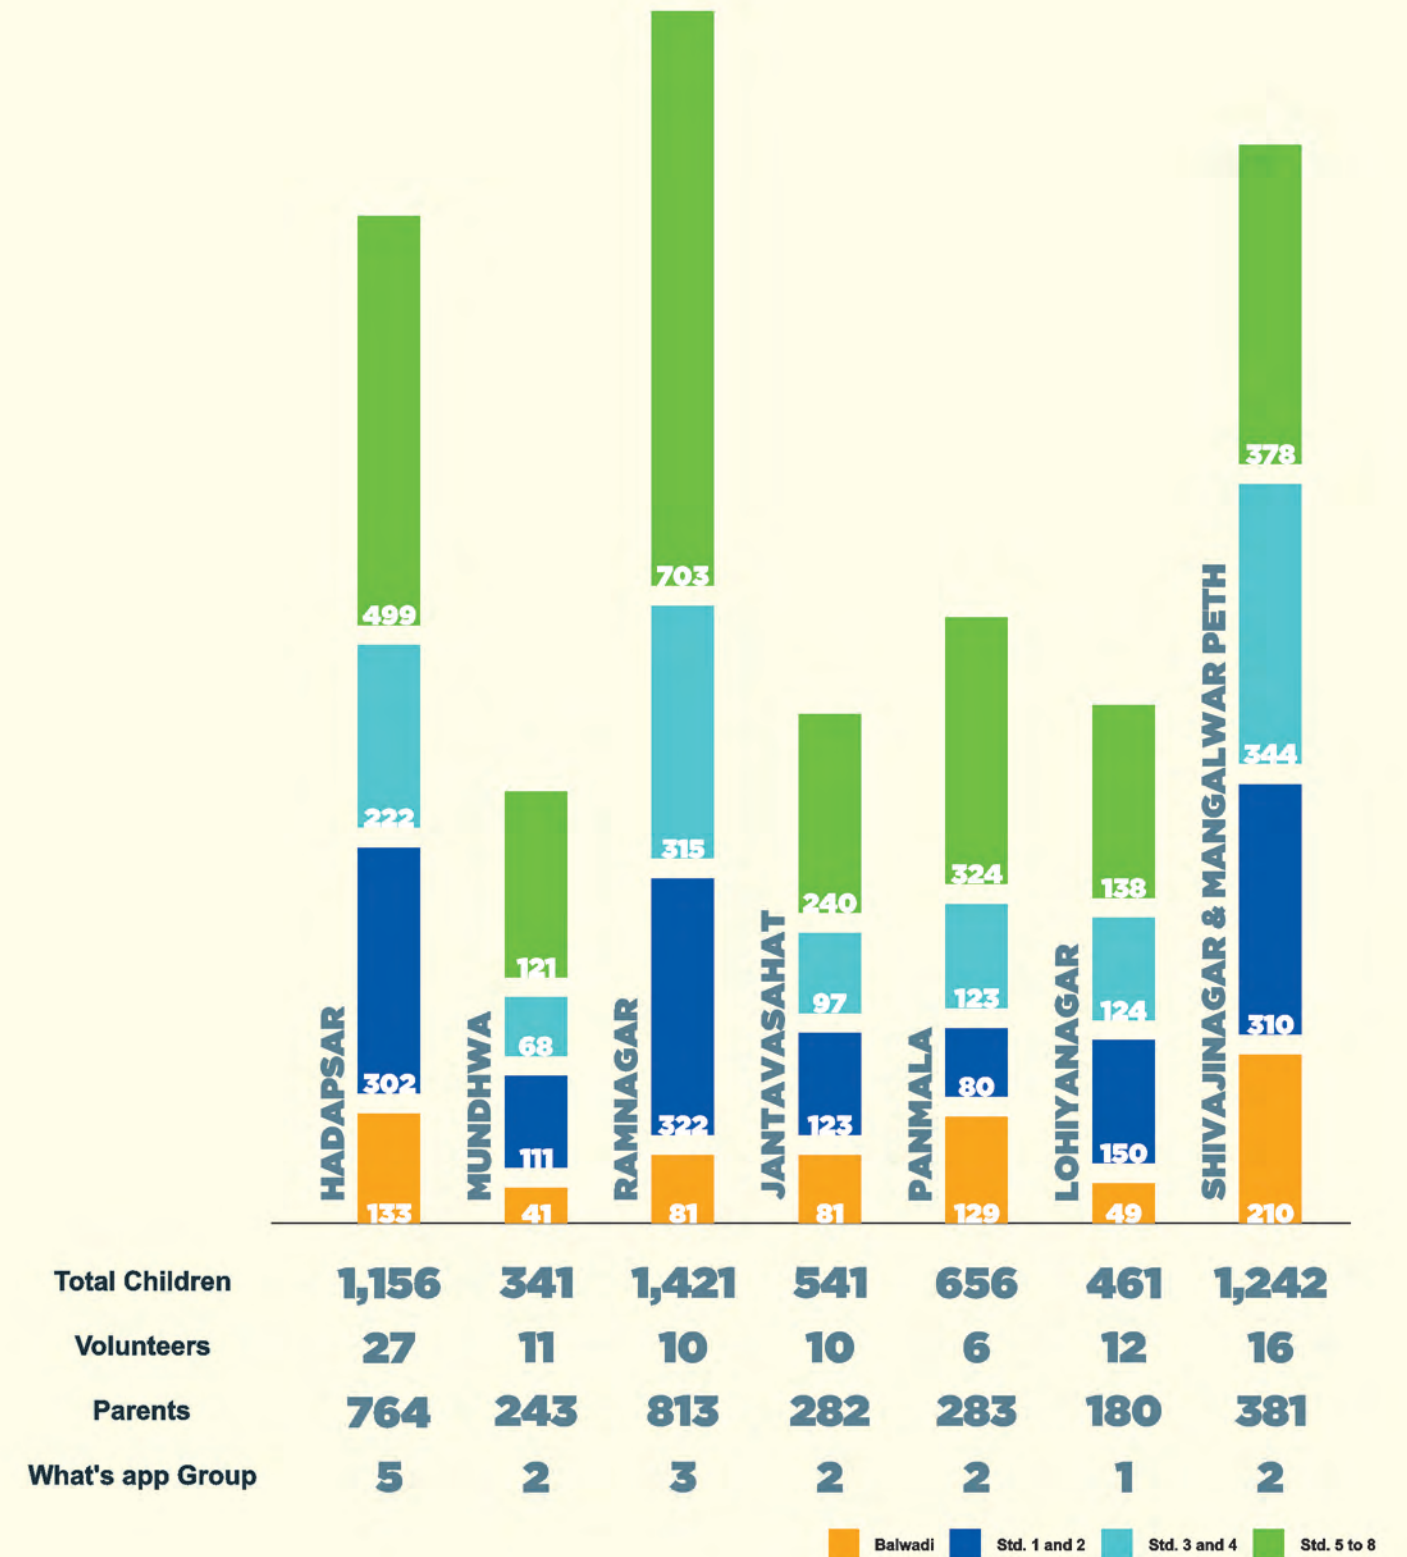

**Pradnya Vikas** - The above-average children from Pratham communities are selected and they undergo Pradnya Vikas.

**Anubhav Shala Khelghar** - This initiative is in collaboration with Jnana Prabodhini for the children from slum communities. The parents of these children go to work and the children keep wandering around. To prevent this and to impart good learning and creative skills – various sessions are held through this initiative.

Due to the ongoing pandemic various sessions are organized through virtual platform.

## The purpose of education is to turn mirrors into windows.

The Kalyani School, right from its inception, has been the epicentre of changes, causing major alterations in the history of the traditional system of education. It has aimed at imparting not only the ability to read, write, and analyse, but also, "the confidence to stand up and demand justice and equality; the qualifications and connections to get your foot in the door and take your seat at the table".

In the pre pandemic days, our children had been part of environmental drives like 'Clean the River'; they had earned money at home by doing household chores, and then donated the amount towards the development of schools in the rural areas; they have been part of awareness programmes through Nukkad Natak.

**Our Sports initiatives identify, nurture & support sports talents from all across the country.**

## **SPORTS LAKSHYA**

We at Bharat Forge, believe sports activities not only help in developing self-confidence and strength in an individual but are also important in maintaining fitness and health.

We are aware that not all sports persons in the country are privileged enough to pursue high level training or take advantage of specialised guidance to excel in their respective sports. Thus we took the initiative to promote talented sports persons across the country, funding and mentoring them to help them make a mark in their field.

## MCCIA AWARDS FOR 2020 OUT, SANS CEREMONY DUE TO COVID

HT Correspondent

PUNE: The Maratha Chamber of Commerce, Industries and Agriculture (MCCIA) on Thursday, announced its annual awards for 2020, some of which have been instituted since decades ago. The award for Innovation in Entrepreneurship instituted in the memory of G.S. Parikh, was bagged by three firms - Earth-cast Equipments, Ramtek and SmartCastPro. 2020 has been a challenging year for us all, but I am glad that this year as well, MCCIA has continued its rich legacy of 75 years by announcing the MCCIA Annual Awards, which support and encourage entrepreneurship, innovation and corporate social responsibility. said Sudhir Mehta, president, MCCIA. The chamber has instituted awards for recognition in different sectors of business recognition. These awards have been instituted and controlled by different trusts and are being administered under the banner of the MCCIA Annual Awards. "The last year, we are back to regularity the MCCIA Annual Awards function at Balgandharva to celebrate the resilience and success of entrepreneurs and innovators this year as well. However, given the unprecedented situation, this has been postponed for now. We will announce the dates for the award function as soon as the situation permits," said President G.S. Mehta, director general, MCCIA. Award for New Products and Design, instituted in the memory of the late Hari Joshi and late Malini Joshi was bagged by Quantest Medical Technologies, while the award for Women Entrepreneurs instituted in the memory of the late Ramabai Joshi, was bagged by Blue Green. The MCCIA also announced the BG Deshmukh Award for excellence in Corporate Social Responsibility, for Brg SF Group's award for MSMEs in defense production; the late Kisan Neta Kalyanji Parakh for first generation successful entrepreneur; and the RJ Rathi award.

गराडे : सिंगापूर (ता. पुरंदर) येथे पुण्यातील भारत फोर्ज लि यांच्या मदत निधीतून उभारण्यात आलेल्या जिल्हा परिषद स्वच्छतागृहाचे उद्घाटन भारत फोर्जच्या सीएसआर विभाग लीना देशपांडे व सागर काळे यांच्या हस्ते करण्यात आले. माध्यमातून राज्यात अनेक गावांमध्ये ग्रामविकासाची पाया दर्जेदार कामे झाल्याने आज गावांची कुस बदलत आहे. त्या एक काम म्हणजे सिंगापूर जिल्हा परिषद शाळेचे स्वच्छतागृह फोर्ज कंपनीच्या सीएसआर प्रमुख देशपांडे म्हणाल्या. या ५ दशरथ लवांडे, उपसरपंच स्वाती कोरडे, सदस्य जयश्री वां उरसळ, रामदास उरसळ, आबा कोरडे, विक्रांत पवार, का विठ्ठल कोरडे, माऊली वारे, माऊली कोरडे, दीपाली लवांडे व्यवस्थापन समिती अध्यक्ष पंढरीनाथ काळे, दत्ता लवांडे, शालन जगताप आदी उपस्थित होते.

## पाझर तलावामुळे पाणीप्रश्न मार्गी

म. टा. वृत्तसेवा, मंचर  
बरकीदरा येथील पाझर तलावाच्या आतील पोटाभागाची खोदार्ई, रुंदीकरण, भराव्याचे दगडी पिचिंग; तसेच पाझर तलावाच्या भिंतीचा भराव अशी कामे नुकतेच करण्यात आली. या कामासाठी भारत फोर्जे लिमिटेड, पुणे यांच्या सीएसआर फंडातून आतापर्यंत सुमारे ३७ लाख रुपये खर्च करण्यात आले असून, अद्याप काही कामे बाकी आहेत. त्यामुळे फुलवडेकरांचा पाणी प्रश्न कायमचा सुटला आहे.  
महाराष्ट्र आरोग्य महामंडळाच्या सौजन्याने आणि भारत फोर्ज लिमिटेड पुणे यांच्या आर्थिक साहाय्याने ग्रामपंचायत फुलवडे, सहाद्री आदिवासी नोकरदार मंडळ फुलवडे; तसेच स्थानिक सहकार्यांनी हे काम झाले आहे. यामुळे

पाण्याच्या टाकीचे लोकार्पण करताना लीना देशपांडे, शहाजी क्षीरसागर व इतर मान्यवर.

## लोकोपयोगी कामे हाती घेतली जातील : देशपांडे

रहमतपूर, दि. २९ : गाव विकास प्रकल्पाच्या माध्यमातून डोंगराळ भागातील गावांच्या पिण्याचा पाण्याचा प्रश्न सोडवण्याबरोबर कंपनीमार्फत आणखी लोकोपयोगी कामे हाती घेतली जातील, असे प्रतिपादन पुणे येथील भारत फोर्ज कंपनीच्या सी एस आर विभागाच्या प्रमुख लीना देशपांडे यांनी केले.  
चिलेवाडी, ता. कोरेगाव येथे कंपनीमार्फत पिण्याची पाण्याची टाकी व पाइपलाईन केलेल्या कामाचा लोकार्पण सोहळा कार्यक्रमात त्या बोलत होत्या. यावेळी धामणेचे आदर्श सरपंच शहाजी क्षीरसागर, जयदीप लाड, संतोष शेडगे आदी मान्यवर उपस्थित होते.  
देशपांडे म्हणाल्या, गावातील प्रत्येक घरांमध्ये पिण्याचे पाणी नळाद्वारे आल्यामुळे लोकांचे चेहरे प्रफुल्लित झाल्याचे पाहत काम केल्याचे समाधान मिळते आहे. डोंगर कपारीतील हे गाव असल्यामुळे विशेषतः महिलांवांग्यांचा पाण्याबाबतचा त्रास कमी होणार आहे.  
शहाजी क्षीरसागर म्हणाले, ग्रामीण विकासाला चालना देणाऱ्या या कंपनीने मोठा पाणी प्रश्न सोडवला असून योग्य नियोजनाने विकासाकामे ही कंपनी करत आहे.  
सुमारे पन्नास हजार लिटरची पाणी साठवण टाकी असल्यामुळे भविष्यात रस्त्याच्या दुतर्फा पाण्याचे बॅलर दिसणार नाहीत, कार्यक्रमास ग्रामपंचायत सदस्य, ग्रामस्थ उपस्थित होते.
