

THE KALYANI SCHOOL

Teachers' Training by MindSigma

Mr. Mandar, CEO of MindSigma Training and Consultancy Pvt. Ltd., visited The Kalyani School on 1st of April for an orientation of their Mind and Memory Gym programme. The teachers will be given an in-depth training to improve the overall mental skills of the students through various scientific techniques, activities and exercises of the mind in the first week of May the teachers will be trained to bring these techniques to class room teaching; to hone all the five senses of the students and train them to achieve their full potentials.

Special Assembly- Slogan Writing Competition Grade IX

On 1st of April the new academic session of 2017-18 began in The Kalyani School. To welcome everyone back to school, Grade IX students held their first Special Assembly on the School ground. Through a well dramatized skit, they reinstated the fundamental rules and core values, which all the students are expected to abide

The campaigning for the posts of SCMs will take place in the school on 12th of April. To make this contention more forceful and effective, there was also a Slogan Writing Competition. This was the first Competition of this academic year and the students are all ready to prove their mettle. On 13th of April the four Houses decorated soft boards with the slogans they had created to establish the superiority of their respective Houses. Their efforts were later judged by Deeksha Ma'am, Nirmal Ma'am and the Accords and Krishna House was declared the winner because of its creativity and expressive slogans.

Special Assembly-

Grade VIII A

Grade VIII A conducted their Special Assembly on 10th of April in the Multi-purpose Hall of the school. The theme of their presentation was **Health Begets Happiness**. The programme was graced by the presence of Sudha Ma'am from SEL, Delhi and Mr. Thoha, the Principal of GIS Maldives. The students portrayed the various reasons of these health declines in the

modern generation, and also pointed out the ways to overcome them.

Interaction with Visitors

On 10th of April the students and teachers of The Kalyani School had an interactive session with Mr. Thoha Saleem in the school premises. It was an exchange of

views and ideas, in which the esteemed visitor spoke at length about the different Philosophical schools and their learning theories. The students talked about their school and their experiences as Kalyaniites. The TKS teachers gave valuable inputs regarding the philosophies propounded by the Indian Philosophers like Gandhiji and Rabindranath Tagore, which impressed Mr. Thoha about the richness of our thoughts and culture.

SCM Election -2017

On 19th of April candidates for the post of House Captains and Vice-Captains campaigned before the voters, i.e. students from Grades V- IX, and highlighted their leadership qualities. Students cast their votes for their favorite candidates on 20th April. The day was just another example that the students of The Kalyani School are getting ready to make their mark in the world some day. To reinforce their names, the candidates were present with their placards. The votes have already been counted and the result will be declared on 28th of April.

Special Assembly- Grade VIII-A

On 24th of April Grade VIII A conducted a Special Assembly on Earth Day. They focused on the environment and climate change due to the lack of respect and concern for Mother Earth. They also gave a positive note in the end saying that the modern generation is becoming gradually conscious of the current plight and coming forward to right the wrong already done by the previous generation; and the Go Green drive of TKS is a perfect example of this. After the Assembly, Deeksha Ma'am and Nirmal Ma'am declared the names of the students who have won the election of the Students' Council for the academic year 2017-18.

Grade IV A Special Assembly

On 19th of April, Grade IV A presented their Special Assembly. It was based on the theme of Earth Day, which is celebrated on every 22nd of April. The students tried to spread awareness, through their presentation, of the uniqueness of our Mother Earth and shared some unknown information about this

wonderful planet. Through a well scripted skit and a dance performance, the students they depicted the various ways we are harming our Earth and bringing forth our own destruction.

Adolescence Workshop- Grades VI-IX

On 22nd April, The Kalyani School students of Grades VI-IX attended a work-shop on Adolescence in the Computer Lab. It was a session on the critical and unique problems that arise during adolescence and the various ways students can cope with it. Dhvani Ma'am and Sneha ma'am, led the young students of Grade VI- IX, through

the complications arising due to physical and psychological changes that occur in adolescence. The session was a stress buster in itself because the Kalyaniites had a chance to vent their feelings. It was a very useful workshop which is expected to make life a little easier for the teenagers.

TATA Edge Training

Teachers of TKS underwent training on how to handle the software installed by TATA Edge for the Digital Classes. In was held on 21st of April in two sessions; one fresher and one refresher. The representatives from TATA Edge visited the school and guided the teachers on the usage of the software installed in the school digital rooms.

Teachers' Enrichment Workshops

On 21st of April Abira Ma'am attended a workshop on Vocational Courses offered jointly by CBSE – NSE on Financial Markets Management under NSQF. The topics of discussion were The role of NSE as an organization; the role of NSE in providing vocational education as per the CBSE curriculum of Financial Markets Management under NSQF; the support they provide to the schools and how schools should go about it. On the same day Nirmal Ma'am and Anisha Ma'am attended a workshop on Astro Physics, conducted by Indian Odyssey, at Hotel Hyatt. The participants got a chance to make a rocket using simple things like paper and hollow cylindrical pipe. They also experienced the launching of a rocket with simple experiments and got to know the simple methods to make a telescope using lens. If adopted in school, it will develop interest among our students in the field of Astro physics. It will also give them a chance to unravel the mysteries of space.

Investiture Ceremony- 2017-18

The new School Council Members of The Kalyani School were sworn in on 28th of April, for the academic year 2017-18. Director, Mrs. Deeksha Kalyani congratulated the new leaders and reminded them of their obligation to fulfil the responsibilities of their office. The erstwhile SCMs were then felicitated by Deeksha Ma'am and Nirmal Ma'am for the good job done by them in the previous year. Through a solemn ceremony, the new Students' Council Members were then, invested with badges, scrolls and sashes, by the Director, Principal, House Mistresses and the Sports Facilitators.
