Project - Har Ghar Tiranga Campaign

Har Ghar Tiranga campaign under the aegis of ***"Azadi ka Amrit Mahotsav"*** celebration has brought us to gather under a tricolor of pride, hope and patriotism.
As a part of this campaign we have distributed around **16,000 +** National flags to citizens through various campaigns and rallies. This includes our employees, villagers, children from our educational CSR Projects Pratham, Pradnya Vikas, Govt. Schools communities and the women from our Community Centers.

Project - Waste Management

- Under the campaign of ***'My Garbage My Responsibility'***, around five hundred **composter planters (CP)** will be installed in Hadapsar area.
- These planters will be set up at 500 households which will decompose 1 kg of kitchen waste each day.
- Inauguration of this project was done at Hadapsar Regional Office of PMC.
- Mr. Sandeep Kadam, Deputy Commissioner of PMC and Mr. Prasad Katkar, Assistant Commissioner, were present at the inauguration ceremony.
- They have assured that all their officers will provide the cooperation required from the Pune Municipal Corporation Regional Office for successful implementation of this project.

'कचरा व्यवस्थापनावर काम करण्याची गरज'

डंड्री : शहरासोबतच ग्रामीण भागातही कचरा समस्या गंभीर बनली आहे. समृद्ध व सफल स्वरूपाचा देश तयार करण्यासाठी स्वच्छतेबरोबरच कचरा व्यवस्थापनावर काम करणे काळाची गरज आहे, असे मत भारत फोर्जच्या सीएसआर विभागप्रमुख डॉ. लीना देशपांडे यांनी व्यक्त केले. भारत फोर्ज लिमिटेडच्या माध्यमातून 'माझा कचरा माझी जबाबदारी' अभियानांतर्गत हडपसर क्षेत्रीय कार्यालयांतर्गत हांडेवाडी, ससाणेनगर, श्रीराम चौक, हडपसर गावठाण परिसरामध्ये पाचशे कचरा व्यवस्थापनाचे कंपोस्टर प्लांट बसविण्यात येणार आहेत. त्याचे उद्घाटन महापालिका उपायुक्त संदीप कदम यांच्या हस्ते करण्यात आले. याप्रसंगी डॉ. देशपांडे बोलत होत्या.दरम्यान, मंजुश्री तडवळकर यांनी या प्रकल्पाविषयी माहिती दिली. याप्रसंगी सहायक आयुक्त प्रसाद काटकर, माजी नगरसेवक सुनील बनकर,

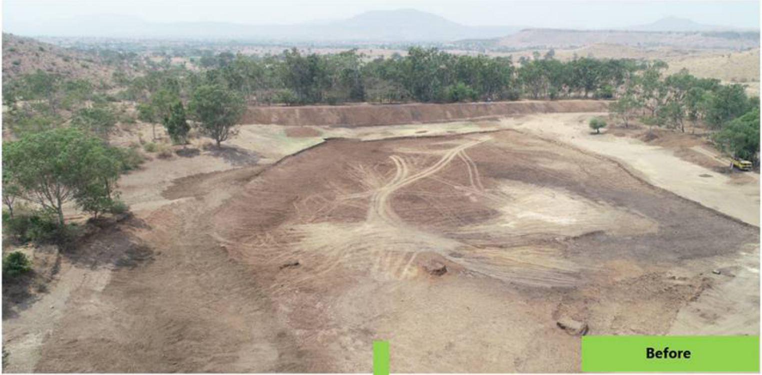
Project - VILLAGE DEVELOPMENT

Taluka: Koregaon District: Satara

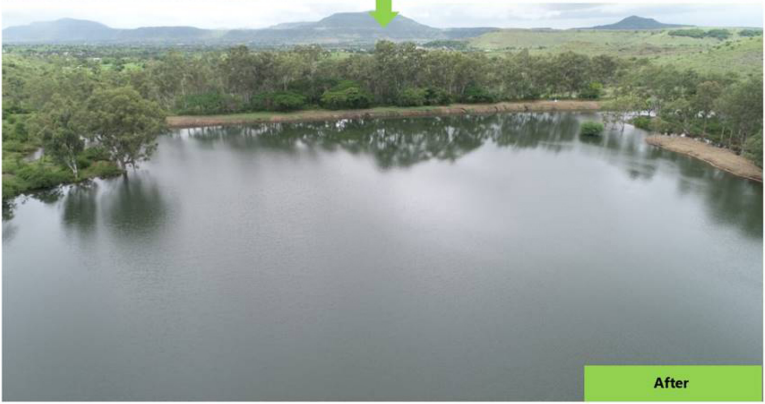
At Village Nagewadi, Taluka Koregaon ***'Desilting of bandhara'***

Nagewadi is the poor & drought prone village in Dist. Satara.

- Desilting of water reservoir at village Nagewadi has made water available for drinking and agriculture.
- **21 TCM** water storage capacity is created by this work and currently it is full with water and is benefiting to **2200 villagers**.



Before

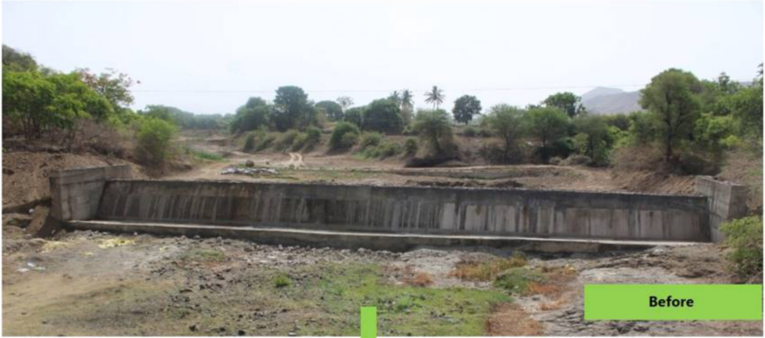


After

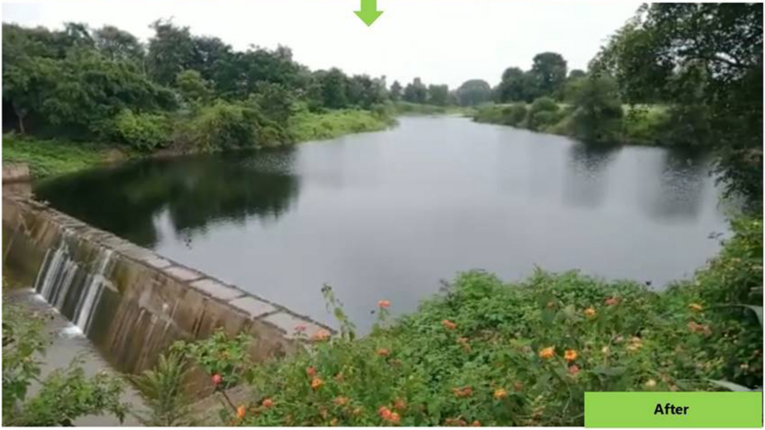
District: Satara

At village Hivare, Taluka Koregaon *“ Repairing of cement nala bandhara ”*

- The existing bandhara at village Hivare in Taluka Koregaon was not in a good condition and couldn't store water, so Bharat Forge repaired this bandhara .
- Currently it can store **58 TCM of water & 1200 Acers** of land will be irrigated through it.
- This has made water available throughout the year and is benefitting to **6,000 villagers**



Before

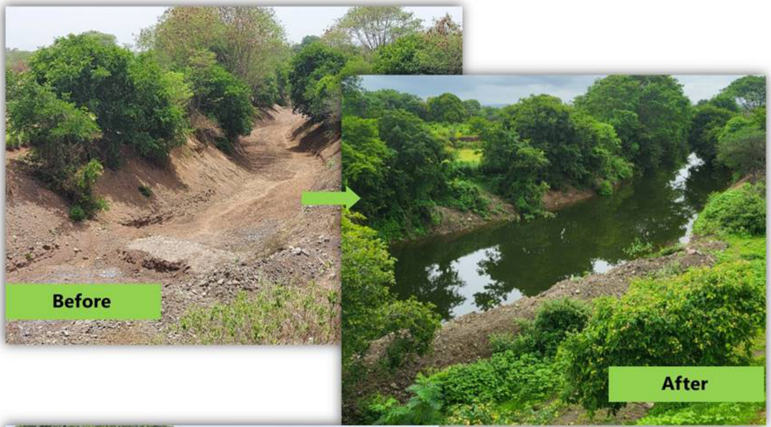


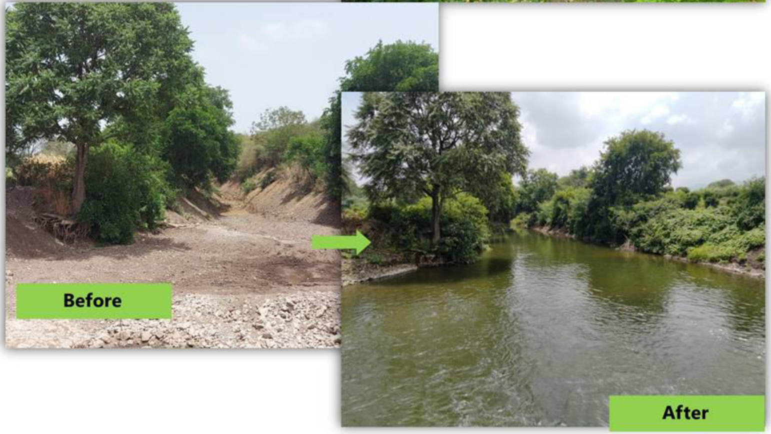
After

District: Purandar

At village Hivare, Taluka Purandar *“ Desilting of mati nala bandhara ”*

- Bharat Forge has desilted the Bandhara (small dam) in village Hivare, as it was full of silt very less water storing capacity.
- It has storage capacity of **38 TCM** and can irrigate 800 Acers of land. Due to rains this Bandhara is full of water.
- This work is benefitting more than **2900 villagers**.





District: Purandar

At village Waghapur, Taluka Purandar *Desilting of mati nala Bandhara*

- Bharat Forge has desilted the Bandhara (small dam) in the village Waghapur , Taluka Purandar, with the water potential of **35 TCM.**
- Due to good rains, this reservoir is full of water & around **750 Acers** of land will be Irrigated which will benefit around **3,000 villagers.**

At village Ambale, Taluka Purandar *Desilting of Odha & Bandhara*

- The Bandhara at village Ambale was desilted it has storage capacity of **34.40 TCM**.
- With the good amount of rain this year the reservoir is full of water & be useful to irrigate **700 Acers of land**.
- This work will benefit around **2,800 villagers.**

Project - Telemedicine

District: Pune and Satara

"Inauguration of Telemedicine Centre"

To provide Primary Health Services to the people we are running 5 telemedicine centers in rural areas. This year we have started 2 new centers at **Thakarwadi, Ambegaon (Pune)** and **Nagzari, Koregaon (Satara)** which were recently inaugurated.
