

PROJECT - JALYUKTA SHIVAR ABHIYAN

Objective : Water harvesting Work undertaken by BFL

Under Jalyukta Shivar Abhiyan Bharat Forge has done the work at Balamtakali village, Taluka Shevgaon, Dist. Ahamadnagar (Near Marathwada (Beed) Border)

The project includes **deepening and widening** work of **Kulkarni – Shinde, Holkar Bandhara**. The Bandhara is overflowed today & On surface about 3 crores litre of water stored & beneath the surface around 8 to 10 crores litre of water is percolated. This work will benefit more then 100 farmers and their family members.

PROJECT - VILLAGE DEVELOPMENT

Objective : Total Village Development initiative by BFL.

Under Village Development Project BFL CSR team visited to Dhamner Village, Taluka Rehmatpur & Bodhewadi Village, Taluka Koregaon from Dist. Satara with the objective to understand the problems faced by the villagers & accordingly need to work on the same.

Village Dhamner is close to Rehmatpur in Satara district. It is situated near the bank of 'Krishna River'. The population is around 2300.

Glimpses:

Village Bodhewadi — Total population of this village is 350 & total 70+ families. The Village is drought hit & badly requires provision of Drinking water & Water Harvesting work.
