COVID -19 Initiatives for Prevention & Cure, Project :आरोग्यरक्षक

Bharat Forge has been working in Village Development Project since last 6 years on five indicators.

Health is one of the 5 Indicators. Bharat Forge under this indicator, will be supporting villages where we are working for prevention and cure of COVID.

Under COVID -19 Initiatives for Prevention & Cure, by assessing the needs of all the villages we had strengthened the health infrastructure in Purandar by providing following material to the 15 villages of Purandar on 20th June 2021- [Last month we had provided necessary medicines, medical apparatus, computers, ambulance etc. at Satara and Ambegaon. Isolation wards were also created at 24 villages of Satara]

- | | |
|---------------------------|--|
| 1. Ambulance -1 no. | 5.Computer, Printer set to 12 health centers |
| 2. Medical /apparatus | 6.Infrastructure of 7 Primary Health Centers |
| 3. N95-Masks | 7.Oxygen concentrators -4 no. |
| 4. 12 Battery Spray pumps | |

Interaction with the villagers

Taluka: Ambegaon District: Pune

Pradnya Vikas

Tree Plantation by the employees of Bharat Forge at Janata Vasahat

Pune Cantonment board - Hamara garden

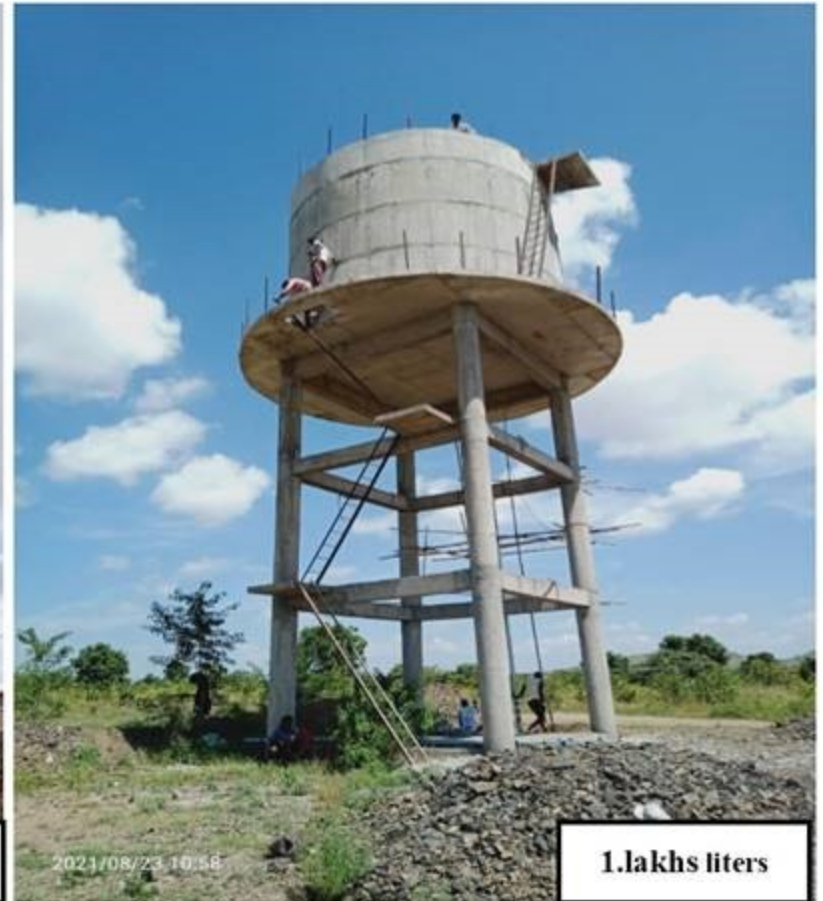

Mr. Amit Kumar -CEO of Pune Cantonment Board & Mr.VirendraKale -VP Finance Dept. of BFL were present for Tree Planation at Cantonment Garden

Taluka: Maan –Khatav District: Satara

At Village Gondawale

We are constructing drinking water tanks at Gondawale, as the villagers have to travel 4 kms distance everyday to get drinking water. .

The 2 tanks have capacity of 1 lakh & 1.5 lakh ltrs. respectively . This work will make water available at doorstep and will benefit to 15000+ people

Construction of drinking water tanks at Gondawale

Taluka: Koregaon District: Satara

At Village Ekambe

We have constructed Cement Nala Bandhara at Nigadi. This has made water available for agriculture and drinking and is benefitting to more than 800 villagers.

“ Jalpoojan Sohala ” at Ekambe

Taluka: Koregaon District: Satara

At village Takale, Taluka Koregaon, Dist. Satara Handing over ceremony [*Lokarpan Sohala*]

Due to open gutters the village was unclean and unhygienic. This was leading to the ill health of the villagers due to mosquito menace. We have built internal gutters... now the roads are wide and clean.

Construction of Internal roads and gutters at village Takale

At Village Nigadi, Handing over ceremony ... '*Lokarpan Sohala*'

We have constructed internal roads at village Nigadi. The farmers are happy due to easy accessibility to the markets. The School children can go to school by using safe road. 1200 villagers are benefitted with this project.

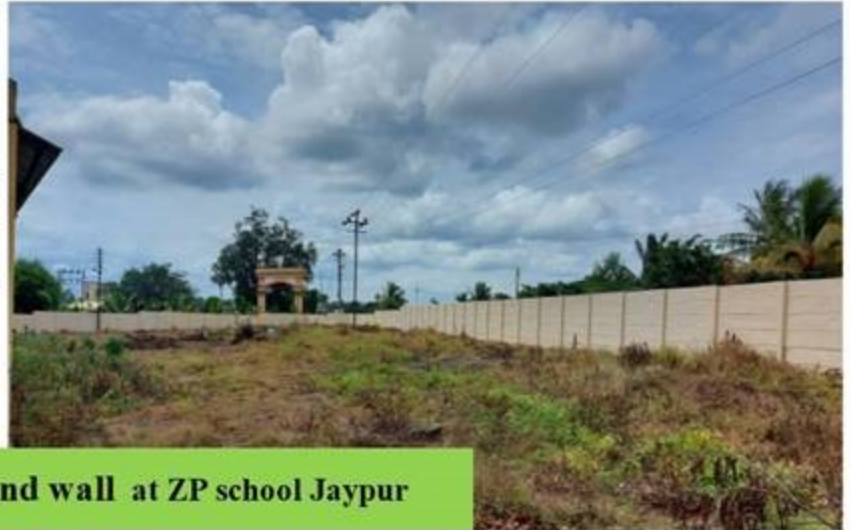

Construction of Internal roads at Nigadi

Taluka: Koregaon District: Satara

At Village Nhavi budruk [Jaypur] Handing over ceremony 'Lokarpan Sohala'

We are constructing wall compound of ZP School at Jaypur, for the safety of the students & the school premises.

Construction of Compound wall at ZP school Jaypur

At Village Hivare 'Lokarpan Sohala'

Construction work of underground gutter completed this will benefit to 5000+ people

Interaction with villagers at Hivare

At Village Chilewadi ,Kanherkhed , Jaygaon ,Nagzari 'Inauguration work'

There was no underground gutters in these 4 villages . This unhygienic environment was creating mosquito menace & threat to the health of the community . Considering this, the underground gutters will be constructed . This work will help in the cleanliness of these villages, health of the villagers. The roads will become wider & will benefit to 8000+ people.

Interaction with villagers at Kanherkhed

Taluka: Ambegaon District: Pune

At Village Vadgaon Kashimbeg , Kothamdara Taluka Ambegaon *'Inauguration work'*

The existing water tank is in very bad condition and cannot store water due to leakage and damage. So water tank construction work needs to be done on priority as it is the prime requirement. This will have 20,000 liters capacity and will benefit to more than 500 villagers. &

At Village Kothamdara *'Inauguration work'* Drinking water tank capacity 10,000 liters this will benefit to more than 350 villagers.

Inauguration of the construction of water tank & Interaction with villagers at village Vadgaon Kashimbeg

At village Amondi & Ugalewadi - Internal roads construction *'Inauguration work'*

The existing roads of the village are in bad condition . For timely accessibility to the market for the farmers we are constructing Internal concrete road at village Amondi & Ugalewadi .

Inauguration & Interaction with villagers at village Amondi & Ugalewadi

Payment received by self help groups of women for uniform stitching work.

Interaction with the women from community center -guiding to start new business opportunity like Paper Cups, etc.

WASTE MANAGEMENT

August 2021

Under the waste management project 20 composter planters were installed at Keshavnagar community.

We have already installed 45 composters in this community. It helps to decompose 65 kgs. of wet

Hamara Moholla Learning Camp Program

This camp was organized for the children from deprived class as they find it difficult to join online classes due to unavailability of mobile phones . The objective of organizing learning camps is to keep the children in the learning stream.

Survey conducted by NGO Pratham to identify the children who are out of leaning stream during pandemic..

ANUBHAV SHALA**August 2021****Various learning and craft making activities for the children**

Learning & Reading skills to the children from deprived communities with the help of NGO Jnana Prabodhini. This organization conducts Pradnya Vikas Programme since last 4 years. The objective is to help above average children from deprived class to find the good career options. Lot of extra curricular activities are also organised for these children .

Employees voluntarism

The prizes were distributed to the children from Keshavnagar, Janata Vasahat and Hadapsar communities in Pradnya Vikas program for winning in various competitions at the hands of Bharat forge employees on the occasion of Independence day .
