Best Ecofriendly Decoration

Project - Waste Management

Location: Pune

Meeting with PMC Officials

- We have installed 1090 Composter Planters (CP) in the areas of Hadapsar and Keshavnagar. These planters are converting 800 Kg of daily kitchen waste into a quality manure.
- Regarding the same a meeting was held with PMC officers including sanitary Inspectors of the wards to give update about the project of Waste Management and the support required from the government functionaries in this initiative.

Training to the Field coordinators

- Monitoring is the key for successful execution of waste management project.
- All 8 field coordinators monitor the composters by doing home visits every day and they encounter with various questions and challenges from CP holders.
- We have organized the trouble shooting training for all the field coordinators which will help them to give solutions to the challenges the CP holder is facing.
- Training was imparted by Inora team.

Project - Skill Development

Center of Excellence at Baramati

- We have established CoE (Center of Excellence) at Baramati, having different labs like IoT (Internet of things) lab, AI (Artificial Intelligence) lab, DA (Data Analytics) lab & Robotics lab.
- Through this centre, the sessions on different topic gets organized on regular basis for the students.
- Recently on the occasion of Engineer's Day the online session was conducted by Dr. Leena Deshpande on the topic of “ **Role of Soft Skills in Technological and Organizational Development**”

Transition in the Industry
Every 'layer' is Changing faster than we realise

Technology Regulation Business Processes

Organisations & People
Product-Markets
Economy
Consumer

The organisation has to evolve.

Dr. Leena Deshpande

Online Session on the occasion of Engineer's day

Project - Anubhav Shala

- Anubhav Shala is the initiative for the children who belongs to underprivileged community and studying from 1st to 6th standard.
- This initiative helps around 200 students through different learning and creative activities.
- This month the teacher's training was conducted for the teachers of all 5 centers to train them how to interact with students through body language. for This month along with regular learning activities different festivals were also celebrated like Dahihandi, Ganpati Sthapana,
