(vi) Long term debt to working capital = [ Non Current borrowing (including current maturity of long term borrowing) / Working Capital ]  
(vii) Bad debts to Accounts receivable ratio = [ (Bad debts written off + Provision for bad debts charged to profit and loss account) / Average Trade Receivables ]  
(viii) Current liability ratio = [ Current Liability / Total Liability ]  
(ix) Total debts to Total assets = [ Total Debt / Total Assets ]  
(x) Debtors Turnover = [ Revenue from Operations / Average Debtors ]  
(xi) Inventory Turnover = [ (Cost of Material Consumed + Changes in stock of finished goods and work-in-progress) / Average Inventory ]  
(xii) Operating Margin = [ Earning before Interest, Tax and Exceptional items - Other Income / Revenue from operation ]  
(xiii) Net Profit Margin = [ Net profit after tax / Revenue from operation ]  
(xiv) Total Debt = Long Term Borrowings + Short Term Borrowings (includes Current Maturities of Long Term Borrowings)  
(xv) Total Equity = Equity Share Capital + Other Equity  
(xvi) Working Capital = [ Total Current Assets - Total Current Liabilities (excluding current maturity of long term borrowing) ]

**Notes to the Audited Standalone Financial Results:**

- 1) The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on May 17, 2024 and were subjected to audit by the Statutory Auditors.
- 2) The figures for the quarters ended March 31, 2024 and March 31, 2023 are the derived figures between audited figures in respect of full financial year and the unaudited published year-to-date figures upto the third quarter of the respective financial year which were subjected to limited review.
- 3) In the current quarter, the Company received eligibility certificates (ECs) in respect of three plants in Aurangabad/Pune under the Maharashtra Electronic Policy 2016 effective from April 1, 2022, and valid for 10 years. Under these ECs, the Company is eligible to claim incentive in the form of taxes payable under SGST on finished goods eligible for incentives from the respective plants. The Company has considered these as grants related to income under Ind AS 20 by recognizing the same as income in profit and loss based on SGST collected for the period/year. The amount of income recognised in the current quarter in respect of the aforesaid ECs is Rs. 989.71 million pertaining to the period April 1, 2022, to March 31, 2024.  
  
The Company had also changed the presentation of government grants in the Statement of profit and loss from "Other income" to "Other operating revenue" (included within "Revenue from operations") in the previous quarter. Accordingly, grant income of Rs 60.20 million and Rs 223.06 million for the quarter and year ended March 31, 2023 respectively have been presented under Other operating revenue.
- 4) During the quarter ended December 31, 2023, the Company has derecognised (written-off) loans given to VarrocCorp Holding BV ("VCHBV"), Netherlands including interest on such loans aggregating to Rs. 11,796.44 million after making requisite submissions to AD Bank. The Company has claimed this write-off on loans as an allowable business loss, considering that these loans extended to VCHBV were in the nature of trade investments to derive benefits for the Company's businesses rather than for earning dividend/capital appreciation. The Company has obtained legal opinions from two independent senior counsels who have supported their view on claiming this write-off of loans as an allowable business loss. Accordingly, the Company has considered this loss as tax deductible for computation of tax provision and recognised deferred tax asset of Rs. 2,968.93 million as at December 31, 2023. These loans pertain to funding of Varroc Lighting Systems ("VLS") entities (erstwhile subsidiaries of VCHBV) which were fully provided for during the period ended September 30, 2022 when the VLS business was sold to Compagnie Plastic Omnium SE, France. Further, the Company has decided to shift to new tax regime under section 115BAA of Income Tax Act, 1961 from current financial year ended March 31, 2024. As a result, MAT credit of Rs. 265.34 million has been written off and deferred tax liability to the extent of Rs. 254.54 million has been reversed on account of lower tax rate under new regime, which has been included in the Income tax expense for the quarter ended December 31, 2023 and year ended March 31, 2024.
- 5) Varroc Engineering Limited ("the Company") and VarrocCorp Holding BV, Netherlands ("VCHBV", wholly owned subsidiary of VEL) (together referred to as "Sellers") entered into a Securities Purchase Agreement dated April 29, 2022 as amended dated July 01, 2022, October 05, 2022 and May 12, 2023 (collectively referred to as "SPA") with Compagnie Plastic Omnium SE, France (referred to as "Buyer"), to divest the Sellers 4-Wheeler lighting business in the Americas and Europe ("VLS Business"). The equity value agreed under the SPA was Eur 69.5 million (subject to closing adjustments as provided under the SPA) and accordingly the loss on equity investments and loans given to VLS business of Rs 13,321.90 million was recognised as exceptional item during the year ended March 31, 2023.  
The Buyer submitted the final adjustments but failed to provide the necessary supporting details to enable the Sellers to understand these adjustments. Hence, Sellers sent a Dispute Notice in accordance with the SPA disputing the proposed adjustments. Subsequently, both the Buyer and the Sellers have entered into Settlement Agreement on July 14, 2023 whereby both the parties have agreed to settle the disagreements on closing adjustments and the final equity value agreed under the Settlement Agreement is Eur 54.5 million. Accordingly VCHBV has received the remaining consideration amount of Eur 13 million on July 17, 2023 pursuant to this final settlement with Buyer.  
Exceptional item of Rs 45 million for the year ended March 31, 2024 pertains to expenses directly related to sale of investment in VLS business.
- 6) Foreign exchange loss/(gain) for the quarter ended March 31, 2024, December 31, 2023 and March 31, 2023 and year ended March 31, 2024 and March 31, 2023 includes amounts of Rs. Nil million, Rs. Nil million, Rs. (6.50) million, and Rs.(31.38) million, and Rs. 529.62 million respectively in respect of unrealised/realised foreign exchange loss/(gain) on loans given to overseas subsidiary.
- 7) Other income for the year ended March 31, 2024 includes dividend received from a subsidiary company of Rs. 125.79 million.
- 8) The total debt as at March 31, 2024 is Rs.12,469.47 million out of which amounts of Rs. 2,002.54 million are due for repayment in the next 12 months from balance sheet date (excluding working capital facilities of Rs.5,027.24 million). Taking into account the expected cash generation from operations in next 12 months and the additional sanctions that the Company has secured for long-term funding, the management does not foresee any risk of non-payment/default. Accordingly, the results for the quarter and year ended March 31, 2024 are prepared based on going concern assumption being appropriate for the next 12 months.
- 9) During the year, the Company has issued 25,000 number of listed Non-Convertible Debentures ('NCD') of face value of Rs. 1,00,000 each aggregating to Rs. 2,500 million on a private placement basis. The NCDs will be repaid in 16 equal quarterly instalments beginning from December 07, 2024. Further, NCD holders have a put option after 30 months and 42 months respectively from date of allotment, requiring the Company to redeem all the NCDs. The Company shall at all times until the Final Settlement Date maintain a minimum Security Cover of at least 1.1x. The proceeds from the issue have been utilised for repayment of existing listed NCDs, other outstanding debt and for general corporate purposes. These NCDs are secured by exclusive charge by way of hypothecation on the specific identified movable properties of the Company.  
The asset cover in respect of the Non-Convertible Debentures as at March 31, 2024 is 1.38 times of the total due amount which is higher than the requirement of 1.10 times as specified in the Debenture Trust Deed.
- 10) The Board of Directors of the Company at its meeting dated May 17, 2024 have approved the draft scheme of amalgamation of Varroc Polymers Limited (a wholly owned subsidiary of the Company) with the Company under sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013 ('the Act') subject to the requisite approvals under the Act and the sanction of the scheme by National Company Law Tribunal ("NCLT"). The appointed date of the said scheme is April 01, 2024 or such other date as may be approved by the NCLT or any other competent authority.
- 11) Figures of previous year/periods have been reclassified/regrouped/restated, wherever necessary to conform to current period/year classification.

(viii) Current liability ratio = [ Current Liability / Total Liability ]  
(ix) Total debts to Total assets = [ Total Debt / Total Assets ]

(xi) Inventory Turnover = [ (Cost of Material Consumed + Changes in stock of finished goods and work-in-progress) / Average Inventory ]  
(xii) Operating Margin = [ (Earnings before Interest, tax and share of profit from Joint Venture - Other Income) / Revenue from operation ]  
(xiii) Net Profit Margin = [ Net profit after tax / Revenue from operation ]  
(xiv) Total Debt = Long Term Borrowings + Short Term Borrowings (includes Current Maturities of Long Term Borrowings)  
(xv) Total Equity = Equity Share Capital + Other Equity  
(xvi) Working Capital = [ Total Current Assets - Total Current Liabilities (excluding current maturity of long term borrowing) ]

- \* The above ratios have been computed for continuing operations only.  
\*\* Ratio not annualised, except for the year ended March 31, 2024 and March 31, 2023  
\*\*\* numbers are below 0.01  
^ Ratio is negative because net working capital is negative.

**Notes :**

- Above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on May 17, 2024 and were subjected to audit by the Statutory Auditors.
- The figures for the quarters ended March 31, 2024 and March 31, 2023 are the derived figures between audited figures in respect of full financial year and the unaudited published year to date figures upto the third quarter of the respective financial year which were subjected to limited review.
- The Group's investment in Varroc TYC Corporation BVI ('VTYC' or 'China JV'), a joint venture accounted for under the equity method, which is carried at Rs. 4,044.50 million as at March 31, 2024, and the Group's share of VTYC's net profit of Rs. 428.79 million which is included in the Group's income for the period then ended are based on management certified accounts and were not subjected to audit. The Group is currently undertaking negotiations with the JV partner for resolution of certain matters regarding operation of the JV, pending which the Group is unable to get the financial and other information of VTYC reviewed from auditors. The auditors in their review report have included a qualification in respect of this matter.

- 4 In the current quarter, the Company received eligibility certificates (ECs) in respect of three plants in Aurangabad/Pune under the Maharashtra Electronic Policy 2016 effective from April 1, 2022 and valid for 10 years. Under these ECs, the Company is eligible to claim incentive in the form of taxes payable under SGST on finished goods eligible for incentives from the respective plants. The Company has considered these as grants related to income under Ind AS 20 by recognizing the same as income in profit and loss based on SGST collected for the period/year. The amount of income recognised in the current quarter in respect of the aforesaid ECs is Rs. 989.71 million pertaining to the period April 1, 2022 to March 31, 2024.

The Group had also changed the presentation of government grants in the Statement of profit and loss from "Other income" to "Other operating revenue" (included within "Revenue from operations") in the previous quarter. Accordingly, grant income of Rs. 90.57 million and Rs. 281.47 million for the quarter and year ended March 31, 2023 respectively have been presented under Other operating revenue.

- 5 During the quarter ended December 31, 2023, Varroc Engineering Limited ('VEL') and Varroc Polymers Limited ('VPL') have derecognised (written-off) loans given to VarrocCorp Holding BV ('VCHBV'), Netherlands including interest on such loans aggregating to Rs. 13,533.33 million after making requisite submissions to AD Bank. The Group has claimed this write-off of loans as an allowable business loss, considering that these loans extended to VCHBV were in the nature of trade investments to derive benefits for the Group's businesses rather than for earning dividend/capital appreciation. The Group has obtained legal opinions from two independent senior counsels who have supported their view on claiming this write-off of loans as an allowable business loss.

Accordingly, the group has considered this loss as tax deductible for computation of current tax provision to the extent of Rs. 437.14 million and for recognition of deferred tax asset of Rs. 2,968.93 million towards the loss as at December 31, 2023.

These loans pertain to funding of Varroc Lighting Systems ('VLS') entities (erstwhile subsidiaries of VCHBV) which were fully provided for during the period ended September 30, 2022, in respective standalone financial statements of VEL and VPL when the VLS business was sold to Compagnie Plastic Omnium SE, France.

Further, VEL has decided to shift to new tax regime under section 115BAA of Income Tax Act, 1961 from current financial year ended March 31, 2024. As a result, MAT credit of Rs. 265.34 million has been written off and deferred tax liability to the extent of Rs. 254.54 million has been reversed on account of lower tax rate under new regime, which has been included in the total tax expense for the quarter ended December 31, 2023 and year ended March 31, 2024.

- 6 During the year, the Group has issued 25,000 number of listed Non-Convertible Debentures ('NCD') of face value of Rs. 1,00,000 each aggregating to Rs. 2,500 million on a private placement basis. The NCDs will be repaid in 16 equal quarterly instalments beginning from December 07, 2024. Further, NCD holders have a put option after 30 months and 42 months respectively from date of allotment, requiring the Group to redeem all the NCDs. The Group shall at all times until the Final Settlement Date maintain a minimum Security Cover of at least 1.1x. The proceeds from the issue have been utilised for repayment of existing listed NCDs, other outstanding debt and for general corporate purposes. These NCDs are secured by exclusive charge by way of hypothecation on the specific identified movable properties of the Group.

The asset cover in respect of the Non-Convertible Debentures as at March 31, 2024 is 1.38 times of the total due amount which is higher than the requirement of 1.10 times as specified in the Debenture Trust Deed.

- 7 The "Automotive" segment consists of the business of automobile products consisting of auto parts for two-wheelers, three-wheelers and four-wheelers and related design, development and engineering activities and other services. "Others" comprise of forging components for off road vehicles and components for mining and oil drilling industry which is below the thresholds for reporting as separate operating segment. Investment in joint ventures and corresponding share of profit/loss from joint ventures is considered under unallocated assets and profit/loss respectively.

- 8 Varroc Engineering Limited ("VEL") and VarrocCorp Holding BV, Netherlands ("VCHBV", wholly owned subsidiary of VEL) (together referred to as "Sellers") entered into a Securities Purchase Agreement dated April 29, 2022 as amended dated July 01, 2022, October 05, 2022 and May 12, 2023 (collectively referred to as "SPA") with Compagnie Plastic Omnium SE, France (referred to as "Buyer"), to divest the Sellers 4-Wheeler lighting business in the Americas and Europe ("VLS Business"). The equity value agreed under the SPA was Euro 69.5 million (subject to closing adjustments as provided under the SPA) and accordingly the loss on sale of VLS Business was recognised during the quarter ended September 30, 2022 and had been included in the profit/loss from discontinued operations for the year ended March 31, 2023.

The Buyer submitted the final adjustments but failed to provide the necessary supporting details to enable the Sellers to understand these adjustments. Hence, Sellers sent a Dispute Notice in accordance with the SPA disputing the proposed adjustments. Subsequently, both the Buyer and the Sellers have entered into Settlement Agreement on July 14, 2023 whereby both the parties have agreed to settle the disagreements on closing adjustments and the final equity value agreed under the Settlement Agreement is Euro 54.5 million. Accordingly, VCHBV has received the remaining consideration amount of Euro 13 million on July 17, 2023 pursuant to this final settlement with Buyer.

Profit/loss from discontinued operations for the year ended March 31, 2024 pertains to adjustments pursuant to revised equity value as per above settlement agreement and expenses directly related to sale of investment in VLS business.

Further, the management assessed that such sale of VLS business satisfies the criteria prescribed under Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations" for classification as discontinued operation. The income and expenses of continuing operations include transactions with discontinued operation, which does not have impact on "Profit / (loss) for the period from continuing and discontinued operations" as disclosed in Consolidated financial results.

Details of income and expenses attributable to discontinued operations are as follows:

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended (the "Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

**Management's Responsibilities for the Standalone Financial Results**

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.
