THE ALL-NEW ADJUSTABLE WINDSHIELD

When it comes to bikes, windshield visors are essential for a smooth ride. Right from enhancing aerodynamics to protecting the rider from dust and rain, the windshield visor vastly improves a bike's performance. The stylish, plastic adjustable windshield developed by Varroc has optimum strength and firmness, along with being up to 40% lighter than metal windshields. Making it the perfect companion for high-end bikes

Up to 40% lighter than metal

Compact, Aesthetic Design
