THE STYLISH & SAFE VARROC GRILLE

The uber-stylish Varroc Grille is a chrome-garnished component with provision for brand logo. It is an exterior element, which lets in air to cool the radiator engine. Designed to eliminate rattling noises, it protects the radiator and other critical engine parts from external debris.

Features

Reduced temperature of engine and radiator

Prevents entry of external debris

Protects engine parts

Stylish Chrome-garnish Design

Eliminates Rattling Noise

Customisable Logo Space

Technical Specification

- ✓ FSS Project
- ✓ Heat stack welding
- ✓ Ultrasonic welding for aesthetic parts
