EMBROIDERY SEAT

While branding has been an essential part of seat design since the beginning, not enough has been done to improvise brand embossing aesthetics. Varroc has developed a seat with custom embroidery that allows for brand or vehicle names to be stitched onto the upholstery. With customisable thread colour and design, this premium machine embroidery can produce a highly aesthetic finish.

Features

Premium quality Embroidery

Use of florescent & multicolour threads

Flexible design, size, and colour options

Superior Aesthetics

**Florescent & Multi-color
Threadwork**

Customisation Friendly

Typical Application Conditions
